

ROOM 3 LEARNING LOWDOWN

28th March 2025

THIS WEEK'S LEARNING NEWS

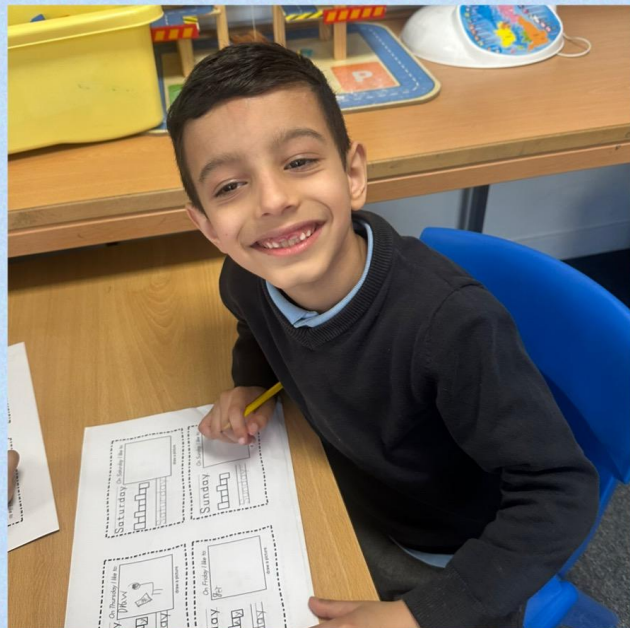

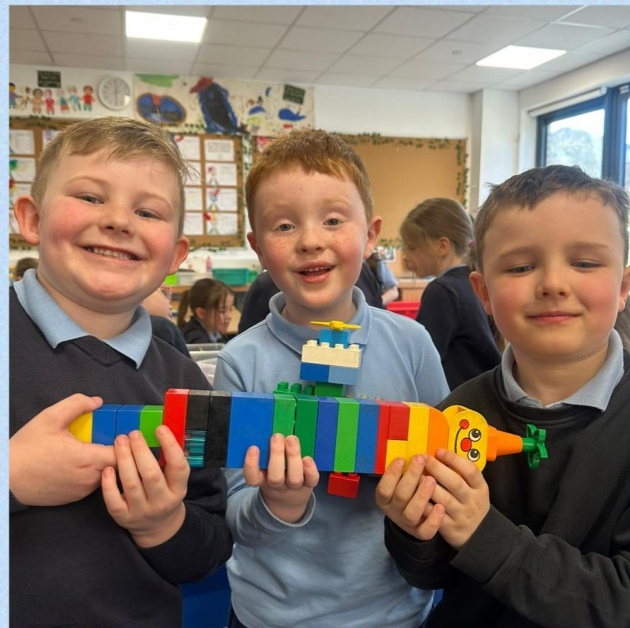

We've had another busy week in Room 3! We made the most of the sunshine and enjoyed an outdoor scavenger hunt.

We've been learning how to partition numbers into tens and units and also revising our knowledge of odd and even numbers. We've also been working on ordering numbers.

We discussed the qualities of a good friend and ways we can be a good friend to others.

We attended a call with The Little Princess Trust and got to hear all about the work they do and ask questions. We showed excellent listening skills!

We also made posters to show the benefits of walking to school as part of The Big Walk and Wheel.

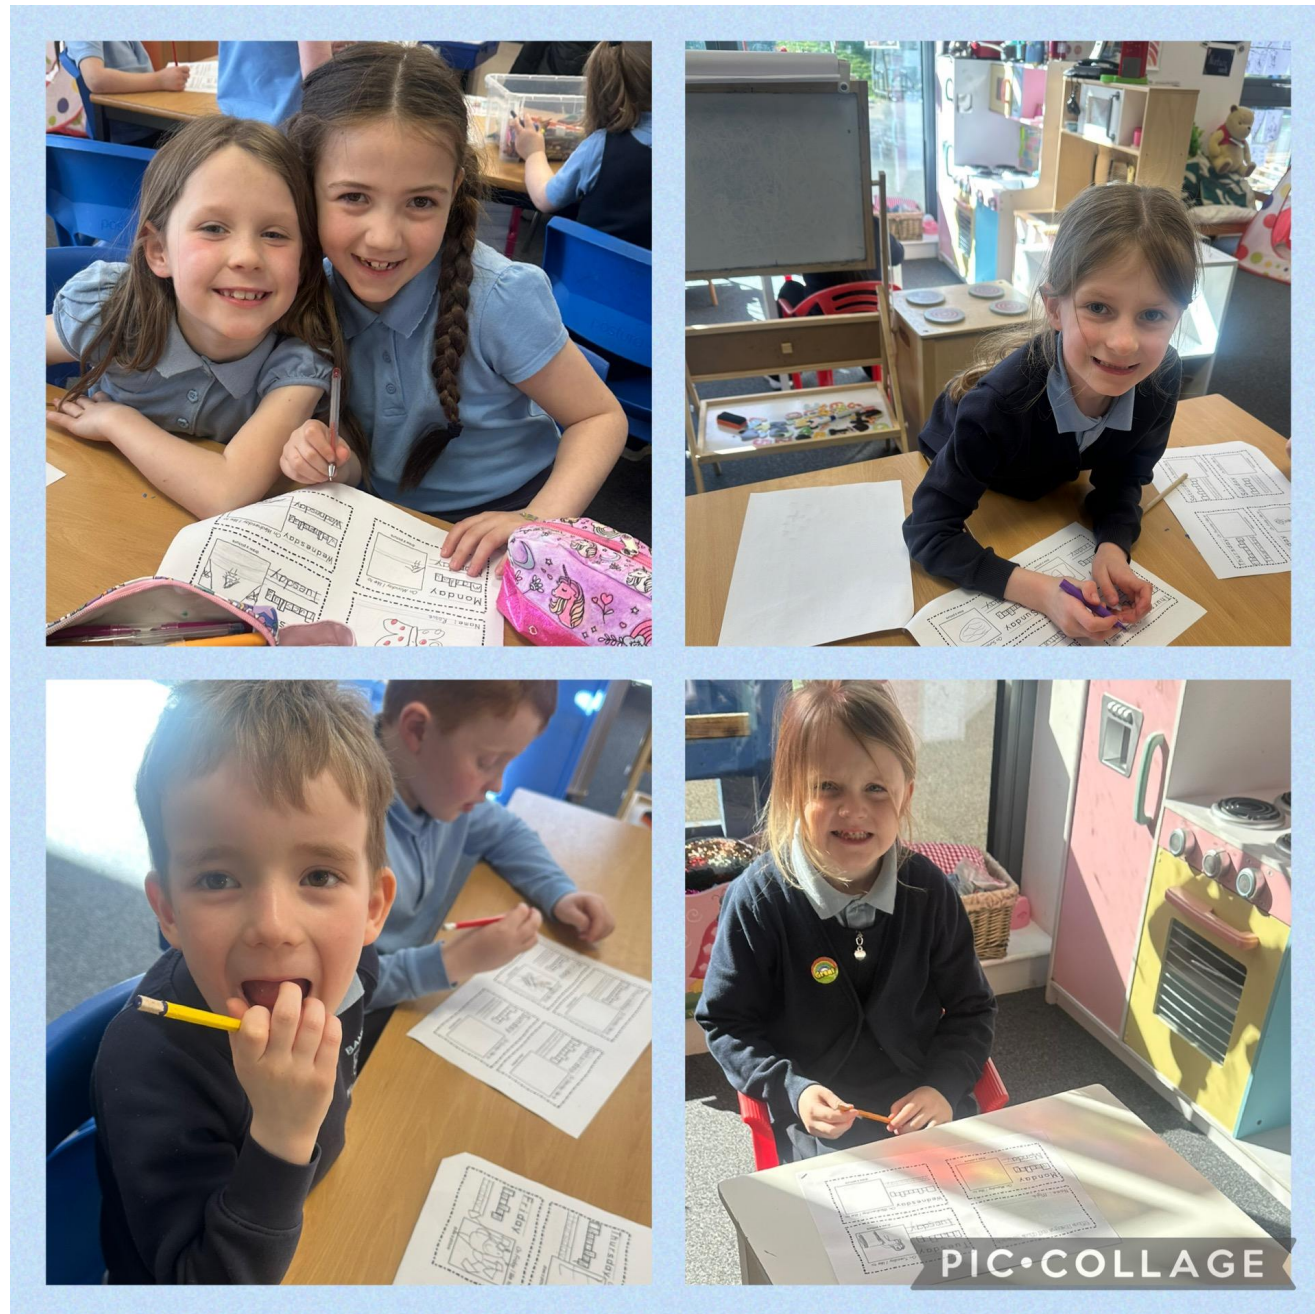

Bankhead will SOAR!

WHAT WAS CHALLENGING

Partitioning numbers can be quite tricky so we will continue to work on this.
