

ROOM10 LEARNING LOWDOWN

31ST OCTOBER 2025

THIS WEEK'S LEARNING NEWS

This week in Room 10...

We had a busy assessment week – The P7's worked so hard to complete all their tasks amongst all the Halloween fun!

We completed some spooky spells in writing and looked at line/shading work in art for some Tim Burton inspired self portraits.

Bankhead will SOAR!

What we got up to!

P7 – Primary 7 had a very busy week with assessment week this week.

Numeracy – We focused on our current topic, linear patterns but we had lots of revision work as part of our assessments for Term 1. The children used their prior knowledge and numeracy strategies to work out calculations for a variety of addition, subtraction, multiplication, division and place value questions.

Literacy – P7 completed a variety of assessments including spelling, writing where we focused on narrative writing, reading and talking and listening.

Writing – P7 imagined they were a soldier during WWII and spending a night in the trenches. They told the story of their experience using their senses and descriptive words. We focused on speech marks as part of their Success criteria, where they showed the reader when dialogue was being used.

Art – Tim burton inspired self portraits. The P7's had lots of fun creating themselves as a Tim Burton character. We looked at his previous work of 'The Nightmare Before Christmas' and 'The Corpse Bride' for inspiration.
