

ROOM 5 LEARNING LOWDOWN

Week beginning 15th April 2024

THIS WEEK'S LEARNING NEWS!

Health Week 2024!

For our health week we learned how to be safe online, how to keep calm and what self-esteem is and how we can improve our own self-esteem. We also learned how to be a good friend.

We had fun doing the obstacle course and walking to Overtoun Park and playing with our friends.

We had fun at the danceathon and making our sandwiches.

Bankhead will SOAR!

ASK US ABOUT...

- 1 - Oceans on planet Earth.
- 2- How we made a healthy sandwich.
- 3- Being safe online.
- 4- How to improve our self-esteem.

WHAT WAS CHALLENGING?

Fit for Fun day was challenging. We were all very tired after our very active day. The obstacle course was extremely tiring.

Some children found the Dancethon challenging as we had to keep dancing for 40 minutes without stopping.

SUCCESS - OPPORTUNITY - ACTIVE - RESPECT

NEXT STEPS/TARGETS

As a class, we're going to focus on following instructions.

In literacy, our next focus will be writing a set of instructions.

IMPORTANT INFORMATION

Next week we have an inservice day on Thursday 2nd May, therefore the children will be off school.
