

Google Classroom

Come along to our parent workshop on using:

When: Monday the 30th of January & Monday 6th of February 2023

Where: The Community Wing, Bankhead Primary School

Time: 1:30pm - 2:45pm

Details: This workshop will help you to help your child with accessing and completing their homework tasks on Google Classroom

You can learn and support your child with the following:

Logging in, finding the class feed and finding where homework tasks are allocated

Looking at sending both public messages to the class and private messages to the teacher

Editing google docs, uploading and sharing documents

Creating a new document, sheet or presentation

Finding other resources available to your child on the Glow account
