

# ROOM 1 LEARNING LOWDOWN

10th October 2025

# THIS WEEK'S LEARNING NEWS

We have been reading Julia Donaldson stories this week to help with our rhyme work. We have also been sequencing numbers to 10 and thinking about numbers before and after within 10. In Science we have been learning about the differences between daytime and nighttime.

Bankhead will SOAR!

# ASK US ABOUT..

In PE we were using a variety of equipment to work independently and with others. We had a whole school photo taken to celebrate our 90th year and went a whole school walk to earn points for Beat the Street.

## WHAT WAS CHALLENGING

. We are still finding syllables a little tricky in Literacy and our number formations can be hard.

SUCCESS - OPPORTUNITY - ACTIVE - RESPECT

# NEXT STEPS/TARGETS

In Literacy we will begin looking at our phonics programme. We will begin with looking at the sounds 's' and 'a'. We will be working on their formations and recognising these sounds in words. In Numeracy we will begin learning about addition by adding one more to a number.

## IMPORTANT INFORMATION

We are finishing today for the October holidays. Have a lovely break.

# IMPORTANT DATES

Friday 10th October - School closes 3pm

Monday 13th October - Friday 17th October - OCTOBER WEEK

Monday 20th October - School opens 9am

Thursday 30th October - 6-7pm P1-3 Halloween Disco

7.15-8.30 P4-7 Halloween Disco
