This week in Room 10...

- We have been learning more about the Blitz during WW2 and have looked pictures/artwork from the blitz for inspiration for our own.
- We had some fun doing drama games and WW2 scenarios.

**Bankhead will SOAR!**

## What we got up to!

P7 – Primary 7 have worked super hard in their literacy and numeracy this week.

Numeracy – In numeracy we have been focusing on multiplying and dividing by 10, 100 & 1000. We found a little tricky to begin with, but all the children have had a growth mindset and with lots of times tables practice we are really getting the hang of it. We also started looking at BODMAS and the order in which questions should be calculated.

Literacy – P7 have been focusing on their new novel study 'The Boy in Striped Pajamas' and have made good progress through the chapters. We have met some new characters, and the children completed an excellent character study on the main character Bruno. We completed comprehension questions based on our novel and looked at finding the meaning of tricky.

P7 had a lovely start to the week with their buddies where they helped them with their ICT and reading tasks. This has been a great way for the P7's to bond with the P1's and has given them opportunities to be responsible and a good role model to the younger children.
