

**Bankhead Primary Home Learning Tasks - P5A Room 7- Miss Bryson (W.C. 08/06/20)**

This grid will be sent out every Monday morning on the school app and Google classroom with tasks for you to complete over the course of the week. Other resources (which relate to these tasks) may also be uploaded. These are uncertain times for everyone so please only do what you can. The tasks are flexible and should fit around your home lives. They do not need to be completed on the specified day; this is just an example of what your week could look like. I appreciate that this is a big change for you and we are all still getting used to this new way of working (including Miss Bryson!). If you have any questions, please do not hesitate to send me an email or contact me via our Google Classroom. Stay safe, Miss Bryson 😊
