

Primary 5 Room 7 Home Learning Activities

Select a few activities from each curricular area to keep up your learning at home. Have fun and take care! Thanks as always for your support, Miss Bryson.

Maths (Week 1)

- *Log into your Easimaths and Study Ladder accounts to keep up to date with weekly tasks.
- * Ask an adult/friend to give you a magic number. Try to make the number as many ways as possible using addition, subtraction, multiplication and division.
- *Shape hunt- find 3D shapes around your home. Identify their number of faces, vertices (corners) and edges.

Literacy (Week 1)

- *Log into your Study Ladder account to keep up to date with weekly tasks.
- *Select your favourite spelling activities to practise your spelling words (see next page for your group's words).
- * Watch CBBC Newsround and discuss the current issues
https://www.bbc.co.uk/newsround/news/watch_newsround

Health and Wellbeing (Week 1)

- *(If possible) Go outside to play with your friends.
- *Help a grown up at home to do the dishes.
- *Relax using Cosmic Kids Yoga online
<https://www.youtube.com/user/CosmicKidsYoga>
- *Carry out an act of kindness every day.

Other useful resources

- Make sure to stay up to date via your Glow, Easimaths and Study Ladder accounts!

 8. Tune in live with Glasgow Science Centre at 10am every day on their Facebook, Instagram and Twitter for your daily dose of science!

Maths (Week 2)

- *Log into your Easimaths and Study Ladder accounts to keep up to date with weekly tasks.
- *Practise your times tables by saying them out loud whenever you can.
- *Practise splitting items into fractions (e.g. I have 10 pencils and 3 of them are red so $\frac{3}{10}$ of my pencils are red).

Literacy (Week 2)

- *Log into your Study Ladder account to keep up to date with weekly tasks.
- *Select your favourite spelling activities to practise your spelling words (see next page for your group's words).
- *Using your favourite book, complete an adjective hunt. How many adjectives can you find in your book?
- *Create your own comprehension questions from the next chapter of a book of your choice.

Health and Wellbeing (Week 2)

- *Listen to your favourite type of music and make up a dance routine to a song.
- * Create a menu for your own restaurant. What would the starters/mains/desserts be?
- * Help a grown up to prepare dinner at home.
- *Carry out an act of kindness every day.

Topic- The Amazon Rainforest- *Look at the products in your house and identify any that contain palm oil *Write a newspaper report about the impact of deforestation *Make a junk model of an Amazonian plant or animal *Share 3 interesting facts about the Amazon with a grown up or friend *Watch YouTube videos about an aspect of the rainforest that interests you and take notes.
