

GP ROOM LEARNING LOWDOWN

14th November 2025

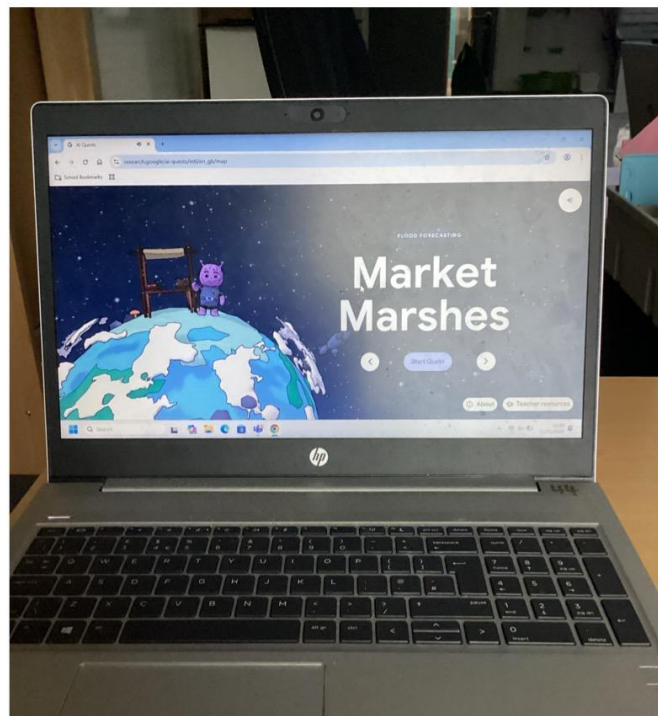

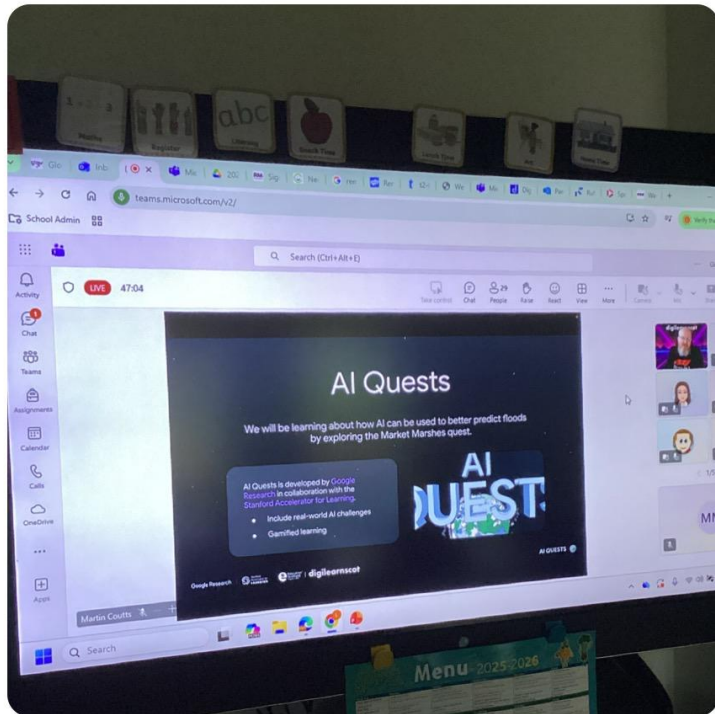

THIS WEEK'S LEARNING NEWS

We braved the rain and took our P.E. outside to put all of our basketball skills to the test.

We became AI engineers and learned about collecting and cleaning data and training AI programmes. We gained an understanding of how AI needs human engineers for programmes and data to be accurate.

In Literacy we have been working on prediction and inference skills by looking for clues in pictures and short texts.

Bankhead will SOAR!

ASK US ABOUT..

Our AI engineering
How we found our French assessment
What Scottish dances we learned in PE
Acute, right, obtuse, straight (reflex) angles

WHAT WAS CHALLENGING

Our French assessment was tricky
Making notes for our explanation text
Learning the Scottish dances
Identifying the different angles correctly

SUCCESS - OPPORTUNITY - ACTIVE - RESPECT

In Smart Start we practised our construction and creative skills, our communication skills and team working skills. We also used measuring skills to see how high our Kapla tower was.

SUCCESS - OPPORTUNITY - ACTIVE - RESPECT
