

Week 7 Beg Mon 18th May 2020

Bankhead Primary School – Room 11 P7

Here are a range of activities to try at home.
Work through them with your parents.

This week Friday 22nd May and Monday 25th May are holidays so ensure you take a break. I will post work Monday night 😊

Maths

- * Sumdog - continue
- * Top marks
- * <https://www.studyladder.co.uk>
Complete the activities set for your group dated week beginning 18/5/2020
- * Mental Maths activity - submit and if can attach photo alongside it.
- * Continue with Maths Transition Booklet if not completed.
- * Look out for extension work to complete if finished booklet.

Literacy

- * I've uploaded Holes by Louis Sachar. Please read over again at pace up to Ch16. Then complete Ch16-20 and answer comprehension questions.
- * Watch Newsround and summarise one of the news articles and perform it like a newsreader to someone at home. Feel free to record and upload the video to Google Classroom.
- * Reading Comprehension Online
<https://www.ereadingworksheets.com/e-reading-worksheets/online-reading-tests/>
- * Spelling - create your own list of 10 personal spelling words, using tricky vocabulary from your personal reading book. Practise using our classroom strategies.
- * Writing activity - write a few paragraphs of what life has been like in lockdown and then a few paragraphs about what you are looking forward to when it is over. Can't wait to read them.

Health and Wellbeing

- * Complete Joe Wicks every morning - if you can.
- * Cosmic Yoga online.
<https://www.youtube.com/user/CosmicKidsYoga>
- * Wellbeing Wednesday Activity with Miss Boyd. Check on Wednesday.
- * Complete family challenge that has gone live on twitter, classroom and App. This week it is the quiz.
- * Join in Zoom quiz with P6 and P7 on Thursday. The information will go live on Wednesday for you.
- * Look at the inspirational quotes PPT and complete task. Hope you do this one as I will collate all ideas together to create our own positive messages.

Science/Topic/Art

- * Research what a *developing country* is and what a *developed country* is - what is the difference?
- * Now choose an example of each of them and compare them.
- (This research should be planned and then shared in a format that suits you e.g. PPT, posters, factfiles)
- https://kids.kiddle.co/Developing_country

Please upload pictures and completed pieces of work to Google Classroom if you can. I would really like to see what you are doing. Please remember you do not have to complete all of this, but it is a plan to keep you going. Keep safe and happy boys and girls. Miss Boyd 😊
