THIS WEEK'S LEARNING NEWS

This week in Room 10 we...

- As part of Health Week we did lots of fun activities including making fruit kebabs, inflatable obstacle course, free play in the gym hall, walked to Overtoun Park and did some Neurographic artwork.
- In science we looked at how the digestive system works.
- We continued reading our novel 'Divided City'.
- We did our class assembly on Deaf Awareness Week.
- We continued to enjoying mixing in the playground.
- We spent lots of time with the buddies this week doing a Daily Mile, Danceathon and helped them with a Stranger Danger task!

Bankhead will SOAR!

ASK US ABOUT..

- Our Health Week activities.
- Our class assembly – ask if we can sign our spelling words to you!
- Our new genre of writing – Exposition.

WHAT WAS CHALLENGING

- Remembering our lines for class assembly this week – we are very busy in P7 and didn't have a lot of time to practise!

SUCCESS - OPPORTUNITY - ACTIVE - RESPECT

NEXT STEPS/TARGETS

Next we will be

- Continuing with our Divided City novel.
- In Maths some of us will be looking at angles and some are multiplying decimals.
- Starting our new topic of Scottish Parliament.

IMPORTANT INFORMATION
