

# ROOM 3 LEARNING LOWDOWN

10th October 2025

# THIS WEEK'S LEARNING NEWS

In Maths, we have been learning how to show 2 digit numbers as tens and ones. We have also been practising counting forwards and backwards to 20.

In Literacy, we have continued using Talk Croc to show good listening and talking skills. We have completed Read to Write tasks based on our reading books.

We completed a sorting activity to decide what could and couldn't be recycled as part of our topic, and discussed what makes us happy and sad during HWB.

## Bankhead will SOAR!

# ASK US ABOUT..

- Counting backwards from 20.
- Upper and lower case letters.
- What can and can't be recycled.
- Our hedgehog art- they are all finished!

## WHAT WAS CHALLENGING

- Sorting what could and couldn't be recycled. It was tricky to tell what materials things were made out of.
- Remembering the number before, when counting backwards.

SUCCESS - OPPORTUNITY - ACTIVE - RESPECT

# NEXT STEPS/TARGETS

To find out more about what happens to items that are recycled and what is done with the things that can't be recycled.

To continue to develop our spelling skills through practise of our words in class.

## IMPORTANT INFORMATION

Homework is always due in on a Thursday.

Our PE days are Mondays and Wednesdays.
