

# ROOM 7 LEARNING LOWDOWN

17th May 2024

PIC-COLLAGE

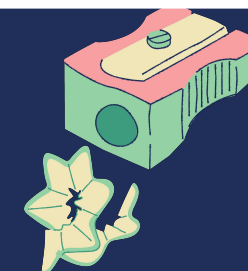

# THIS WEEK'S LEARNING NEWS

This week Room 7 learned about digital literacy. Throughout the week we used ICT to

- design flags
- type up our book summaries
- programme micro bits
- complete flower art
- made an online information report

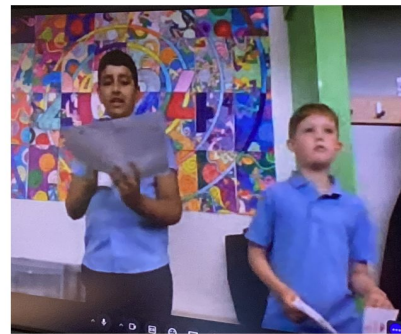

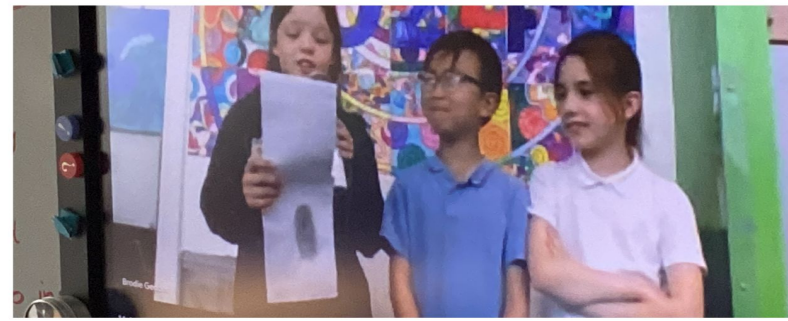

We also practised our bus stop division sums and wrote a new end to a story about a BMX race

## Bankhead will SOAR!

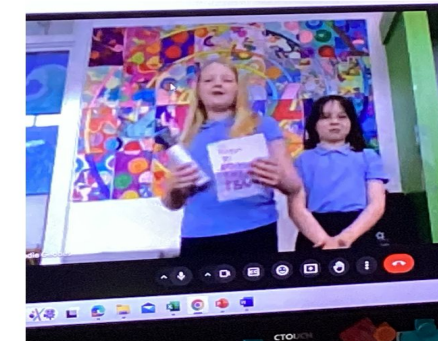

# ASK US ABOUT..

Our research about healthy eating  
What happened at the end of our books  
How to measure area with a micro bit

## WHAT WAS CHALLENGING

Some of us found it tricky to follow the coding tutorial.

Dividing using bus stop sums (so we will be getting that as homework!)

Some of us were finding it difficult to follow our school rules and were not listening carefully to instructions.

SUCCESS - OPPORTUNITY - ACTIVE - RESPECT

# NEXT STEPS/TARGETS

Another go at measuring the playground  
Practise better listening in class

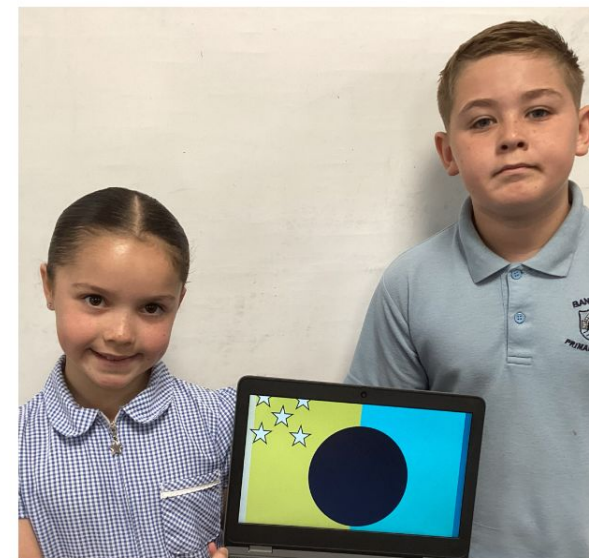

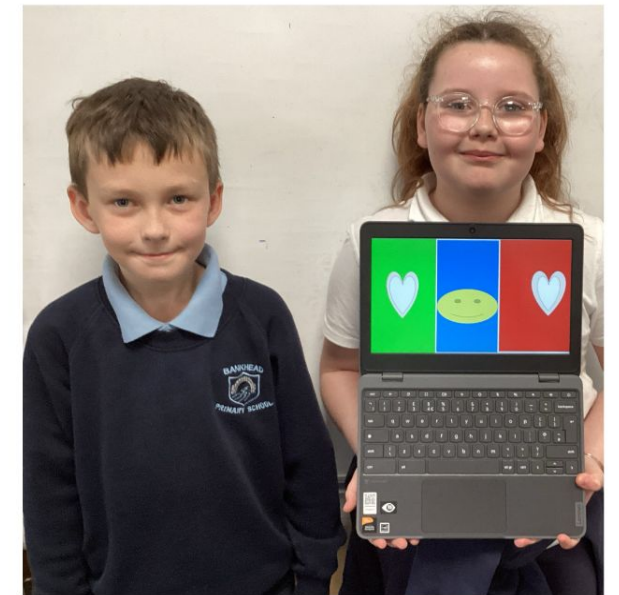

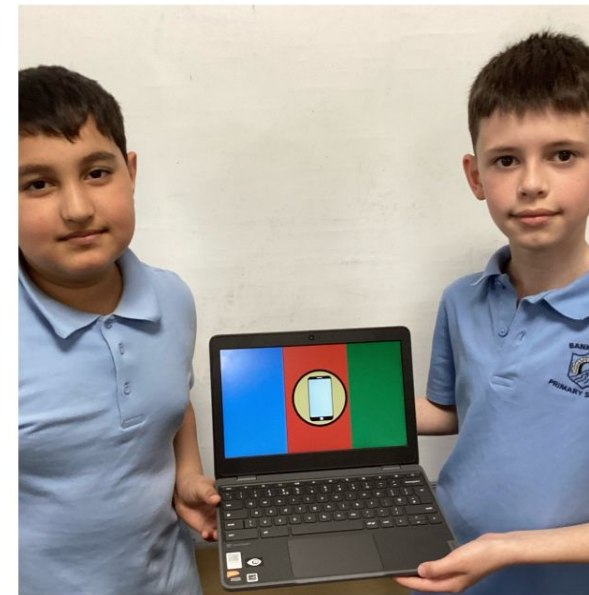

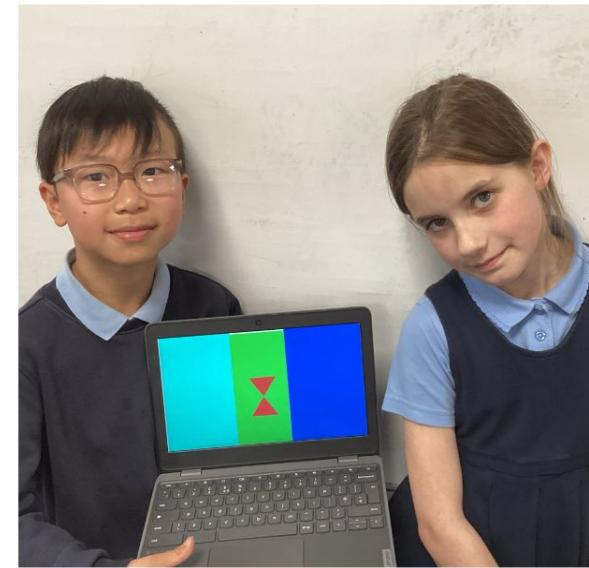

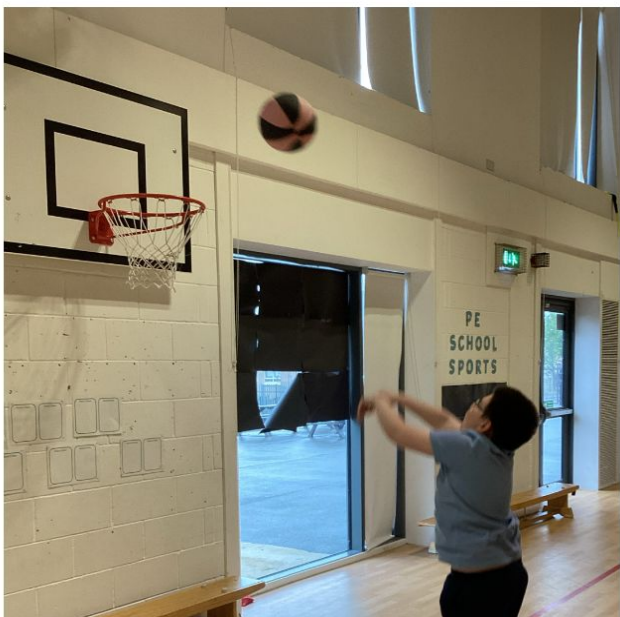

## IMPORTANT INFORMATION

Holiday on Friday and the following Monday

# Photo Gallery
