

Bankhead Primary School – Room 11 P7

Here are a range of activities to try at home.
Work through them with your parents.

Maths

- * Sumdog - continue
- * Top marks
- * <https://www.studyladder.co.uk>
Complete the activities set for your group dated week beginning 25/5/2020
- * Complete Data Handling Assessment - you have all knowledge to complete.
- * Continue with Maths Transition Booklet if not completed.
- * If finished maths transition - extension work can be started.

Literacy

- * Read Holes Ch 21-25. Then answer comprehension questions.
- * Watch Newsround and summarise one of the news articles and perform it like a newsreader to someone at home. Feel free to record and upload the video to Google Classroom.
- * Reading Comprehension Online

- * Spelling - create your own list of 10 personal spelling words, using tricky vocabulary from your personal reading book. Practise using our classroom strategies.
- * Writing activity - Complete diary entries for Tuesday 26th to Friday 29th May. Use features of diary and emotive language.

Health and Wellbeing

- * Complete Joe Wicks every morning - if you can.
- * Cosmic Yoga online.
<https://www.youtube.com/user/CosmicKidsYoga>
- * Wellbeing Wednesday Activity with Miss Boyd. Check on Wednesday.
- * Complete family challenge that has gone live on twitter, classroom and App. This week it is visit to the Zoo.
- * Look at the inspirational quotes PPT and complete task. Hope you do this one as I will collate all ideas together to create our own positive messages. (Please send in - not received any).
- * Complete Hopes and Dreams - very important. Part of leavers activities.

Science/Topic/Art

- * You have completed work on various natural disasters. I would like you to create a quiz for others to complete. It can be in any format e.g. multiple choice, you may wish to create online e.g. Kahoot.

Please send examples so we can share.

- * Log onto Hour of Code site - get free hour of code.

Important***: Please send in a baby photo if you can by the end of the week. Send to my email.**

Please upload pictures and completed pieces of work to Google Classroom if you can. I would really like to see what you are doing. Please remember you do not have to complete all of this, but it is a plan to keep you going. Keep safe and happy boys and girls. Miss Boyd 😊
