

ROOM 3 LEARNING LOWDOWN

21st November 2025

THIS WEEK'S LEARNING NEWS

This week in Room 3 we have lots of learning to share. We have continued to practise our spelling words daily- using a variety of different strategies. We have also consolidated our knowledge of when to use full stops, exclamation marks and question marks.

In Numeracy, we have focussed on our mental maths knowledge and did a great job at Daily 10 Addition! We have then consolidated what we have learnt so far.

With Mrs McIntyre, we continued our Recycling Focus by doing a litter pick in the playground. We continued our outdoor PE- even in the cold weather. Our Daily Mile warmed us up and then we learned how to play team games fairly.

In French, we continued to practise saying our numbers 1-10 and even learned a song about them! In ICT - we had a go at touch typing!

Bankhead will SOAR!

ASK US ABOUT..

- Different ways to say add!
- Adding two one digit numbers - what can we use to help us?
- When to use exclamation marks and question marks!

WHAT WAS CHALLENGING

- Mental Addition
- Creating builds during STEM time that were tall and sturdy.
- Remembering our French numbers - the song is helping though!

SUCCESS - OPPORTUNITY - ACTIVE - RESPECT

NEXT STEPS/TARGETS

- To continue practising mental addition- this will help us as we move on to complete subtraction.
- To continue using capital letters, full stops and finger spaces in our writing.
- To try and practise spelling at least twice at home during the week. (Even if one practise only lasts a few minutes).
