

# ROOM 5 LEARNING LOWDOWN

Week Beginning 12.5.25

# THIS WEEK'S LEARNING NEWS

This week in Room 5...

In numeracy, we have revised half past and o'clock. We are now learning quarter past and quarter to the hour, in the digital form and in the analogue form.

In topic, we learned about Rutherglen using Google Earth and in groups we created our own street.

In writing, we retold a story in our own words.

## Bankhead will SOAR!

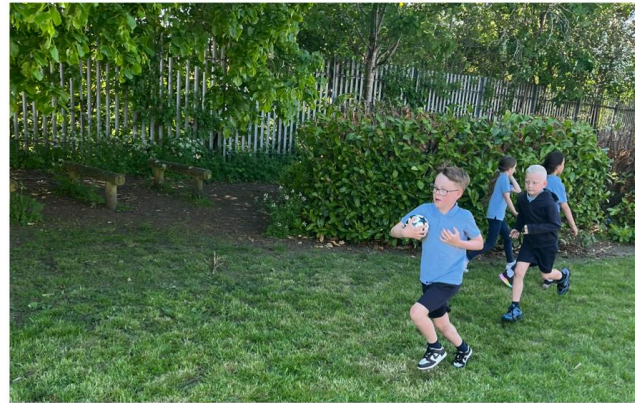

# ASK US ABOUT...

- Time
- Google earth
- Assembly – learn your line please!

## WHAT WAS CHALLENGING

Some of us found...

- Drawing clock hands quite tricky.
- Saying our lines clearly and accurately at assembly rehearsals difficult – I think the children have gone shy on me!

SUCCESS - OPPORTUNITY - ACTIVE -

# NEXT STEPS/TARGETS

Next, we will be...

- 1 – Learning about quarter to the hour and a focus on durations.
- 2- Learning how to write a set of instructions.
- 3- Learning about our local area.

## IMPORTANT INFORMATION
