

Accessing 'Read With Phonics'

If you are looking for a way to help practise your phonics, we have been using the 'Read With Phonics' app in class. Here is a step by step tutorial of how do get yourself logged on.

1. Go to the app store on your device (I am using an iPhone) and search 'Read With Phonics'. You want to pick the app that has the green alien.

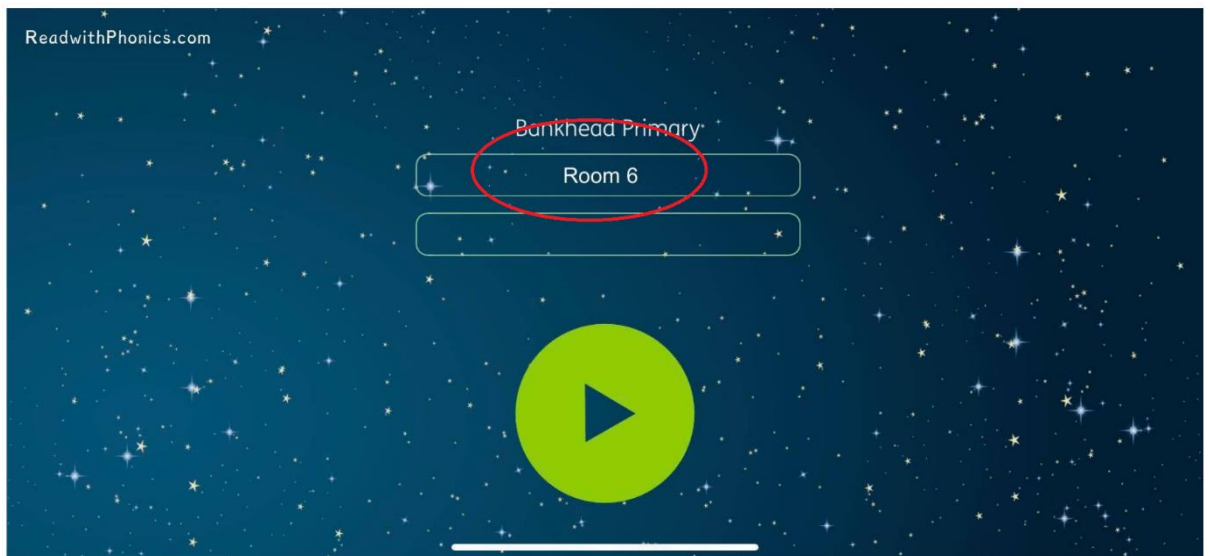

2. The app will be added to your home screen. Click the little alien icon and log in with these details:

Username: Bankheadprimary4

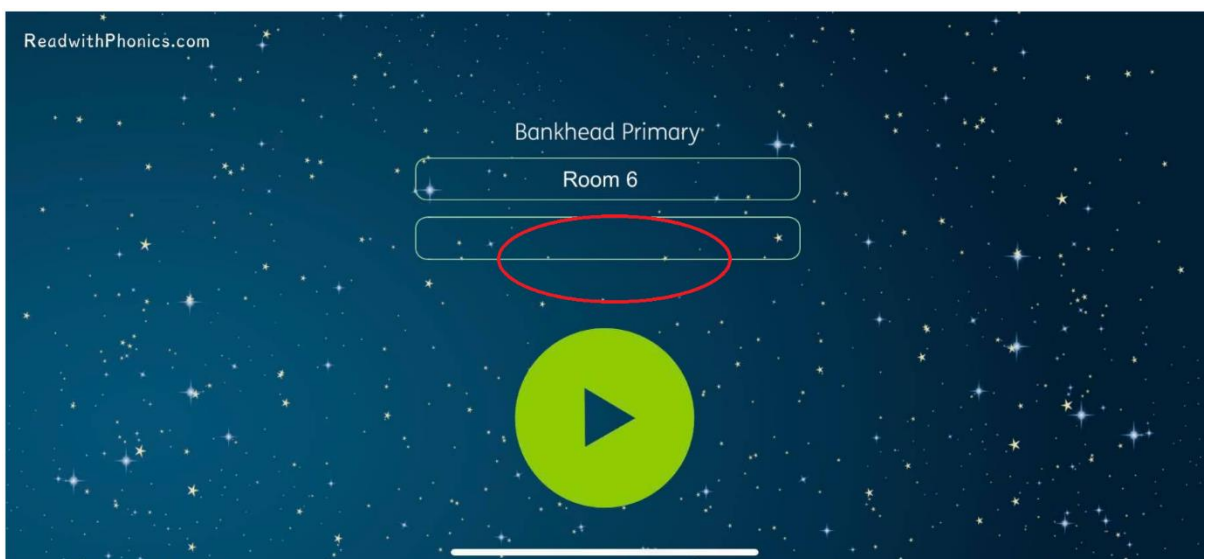

Password: Primary4

3. Log in and select 'Room 6'.

4. Select the bottom box and pick your child's name.

Bankhead Primary

Room 6

Cameron
Chloe
Claire
Connor
Eva
Harry
Jack
