

ROOM 11 LEARNING LOWDOWN

WEEK BEGINNING 22ND APRIL 2024

THIS WEEK'S LEARNING NEWS

This week in Room 11.....

- Maths – We learned the volume formula to solve the capacity of a shape.
- Health Week – We did free play PE, Overtoun Park with the buddies, assault course, danceathon and made fruit kebabs.
- Science – We learned about the digestive system and did an experiment which involved baked beans and custard creams.
- Drama – We started our improv drama block by creating a 'Going to the Airport' scene for our 'holiday' to Turkey.
- Stereotypes – We discussed different stereotypes made about people from different countries.

Bankhead will SOAR!

ASK US ABOUT..

- Nutrition – Vitamins, Minerals and Nutrients.
- The Volume formula.
- Percentages – solving the discount.
- Digestive and Circulatory system.
- Health Week

WHAT WAS CHALLENGING

- Some of us found
- Percentages – laying out all of the working when calculating the discount and new price for items tricky.
- Our digestive system experiment was a challenge because it was rather smelly!

SUCCESS - OPPORTUNITY - ACTIVE - RESPECT

NEXT STEPS/TARGETS

Next we will be...

- Completing The National Standardised Assessments for Scotland in Literacy and Numeracy.
- Continuing our new novel Kensuke's Kingdom.

IMPORTANT INFORMATION

- 4 week countdown to our residential trip to Inverclyde.
- In-Service day on Thursday the 2nd of May.
- Homework to be handed in on Friday.
