

Bothwell Primary School 2023-24
Go For Good Behaviour - Go for Green!

-  Green
-  Verbal Warning
-  Time Out - this is used if the pupil needs to be removed from their group or given time to reflect on their behaviour.
-  Orange - the pupil loses 5 minutes from their Golden Time.
-  Red - The pupil loses one playtime and must stay in with the Senior Management Team (SMT).
-  Purple - a thinking sheet is issued to the child, for completion at home, to be signed by their parent and returned the next day.
-  Black - the pupil is sent to SMT. If the pupil is on black on more than one occasion and concerns are raised, a meeting will be arranged with parents.

How it works!

1. Every pupil starts each day on 'Green'.
2. Pupils move along consequences in the order as shown above.
3. At the end of the day, a record is taken of the colour each pupil is on.
4. If a pupil is not on green, the teacher will record this in their homework diary and ask the child to show it to their parent that evening and get it signed.
5. At the end of each week, if a pupil has stayed green, they receive a stamp in their homework diary and a credit towards the term's certificates. If they have been off green at any point, a report is sent home to parents, with an explanation - no stamp or certificate credit!
6. The numbers of green weeks are collated each term to distribute Gold, Silver or Bronze certificates at a special 'Go for Green' Assembly.
7. In the unlikely event that a serious incident occurs, the child shall move more rapidly from green to the appropriate level, where SMT, and as required, parents, become involved.
