

Room 10's

NEWSLETTER

Welcome to Term 2!

Welcome back, Room 10! As we step into Term 2, the air is buzzing with anticipation for the exciting learning adventures awaiting us. This term promises to be filled with captivating novels, mathematical explorations, and the enchanting world of Africa.

PE FOCUS

In PE, Room 10 is honing their skills in target games, aiming for precision and coordination in every move. The focus is on developing these skills, turning each session into a dynamic play of accuracy and strategy.

Literacy in Term 2

Embarking on a literary journey, Room 10 is diving into Michael Morpurgo's "Kensuke's Kingdom." This captivating tale promises to transport us to distant realms and spark engaging discussions. Alongside the novel, we'll delve into poetry and persuasive writing, fostering creativity and purposeful expression. This term is all about literary exploration, using the enchanting world of "Kensuke's Kingdom" to refine our reading strategies and unleash our imaginative skills. Get ready for a term filled with words, wonder, and creativity!

Numeracy/Maths in Term 2

In our math adventures, Room 10 is now exploring measurement, using our surroundings for hands-on learning. We're not just crunching numbers; we're measuring things in the real world! Plus, we're diving into BODMAS and negative numbers—math can be like solving puzzles! This term is all about getting better at problem-solving and quick mental math. Stay tuned for lots of fun and learning in Room 10's math journey!

Active Maths

Other Areas

- **Science focus:**
Delving into forces, exploring pushes and pulls shaping our world.
- **Health and Wellbeing (HWB):**
Embarking on a four-week Kids Kitchen journey.

UPCOMING TOPIC

Room 10 has kicked off an exciting exploration of Africa as their new topic. The buzz of enthusiasm is already in the air, and the children have unanimously chosen Africa as the focus for their class assembly this term. We can hardly contain our excitement to share everything we're learning about this vibrant and diverse continent with everyone. Get ready for a fantastic class assembly where we'll showcase the wonders of Africa and our journey of discovery!

Term 2: Where learning meets adventure!
