

Room 4

TERM 2

Literacy

Room 4 will continue to develop their spelling and phonological knowledge by working through Stage 2 Active Literacy. We will continue to progress through our class readers and will be voting soon on our new class novel so keep your eyes peeled for our decision •• We have been loving taking part in our own 'Storyline Online' activity at the end of each day where we can bring our own book from home in to read to the class so we will continue this in Term 2. We begin Term 2 with an Imaginative Writing block where we are writing our own fairy tales each week - we will build up to writing our own story book.

Topic

Our Topic this term is Scottish Castles. We will be exploring various different castles that can be found in Scotland.

Numeracy and Maths

In Numeracy we have just finished off exploring numbers to 100. We have also completed our addition block. We will be looking at 2d and 3d shapes and beginning our subtraction unit over the coming weeks. We will begin using our knowledge of counting in 2's, 5s, and 10s to make the link between this and multiplication. We love mental maths challenges to begin each lesson and quite often use Top Marks Daily 10 with a timer to see how quickly we can complete the questions in our head - have a try at home too!

PE

Our PE days will remain the same with Tuesday being our outside slot. As it is right after lunchtimes sometimes we are too cold to stay outside for very long and do complete PE indoors - our favourite thing to do is Just Dance. On Thursdays we have a Gym Hall slot with Mrs Kerr and this term we will be focusing on possession games...keep an eye out on twitter for some pictures!
