

NUMERACY & MATHS

In Numeracy, we have been learning about partitioning numbers in place value. Our main focus currently is addition where we have been developing our knowledge of different mental and written strategies. We will be moving on to subtraction and time this term also.

LITERACY

In Literacy, we have been developing our VCOP skills and will be moving on to instructional writing. In Grammar, we will be developing our use of adjectives and applying this to our writing. We are currently enjoying reading and studying the novel 'The Demon Headmaster'.

HEALTH & WELLBEING

In PE, we have begun a block of Hockey sessions with specialist coaches and will continue these until the end of term. We have also been developing our knowledge of healthy foods and how we can create a balanced diet.

WELCOME TO ROOM 9 PRIMARY 5 - TERM 1

SCIENCE

In Science we have been learning about animals. We have been researching and identifying vertebrates and invertebrates - learning some of the characteristics of each group.

SOCIAL STUDIES

We have been enjoying learning about significant Scottish individuals this term. We have researched famous scientists, inventors and others. We are currently learning about David Livingstone and his exploration of Africa. We have incorporated other curricular areas into our topic to enhance our learning.
