Date: 20 January 2025

Dear Boys and Girls, and Parents and Carers of our August 2025 Primary 1 Classes,

Mr Frame and I really enjoyed speaking to you all last week to confirm your enrolment for Primary 1 in August. We are delighted to welcome you all to our school and would like to take this opportunity to set out proposed dates for key transition activities planned, which are designed to support your child in their transition from Early Years education into Primary School.

Please note that due to the level of intake we will need to split the group of children into two different sessions for the induction session on the 4th June, which means that some of the children will attend in the morning and some in the afternoon. We cannot confirm that time slot as yet, but will endeavour to do so by the end of April once we have information from SLC with regards any placing requests.

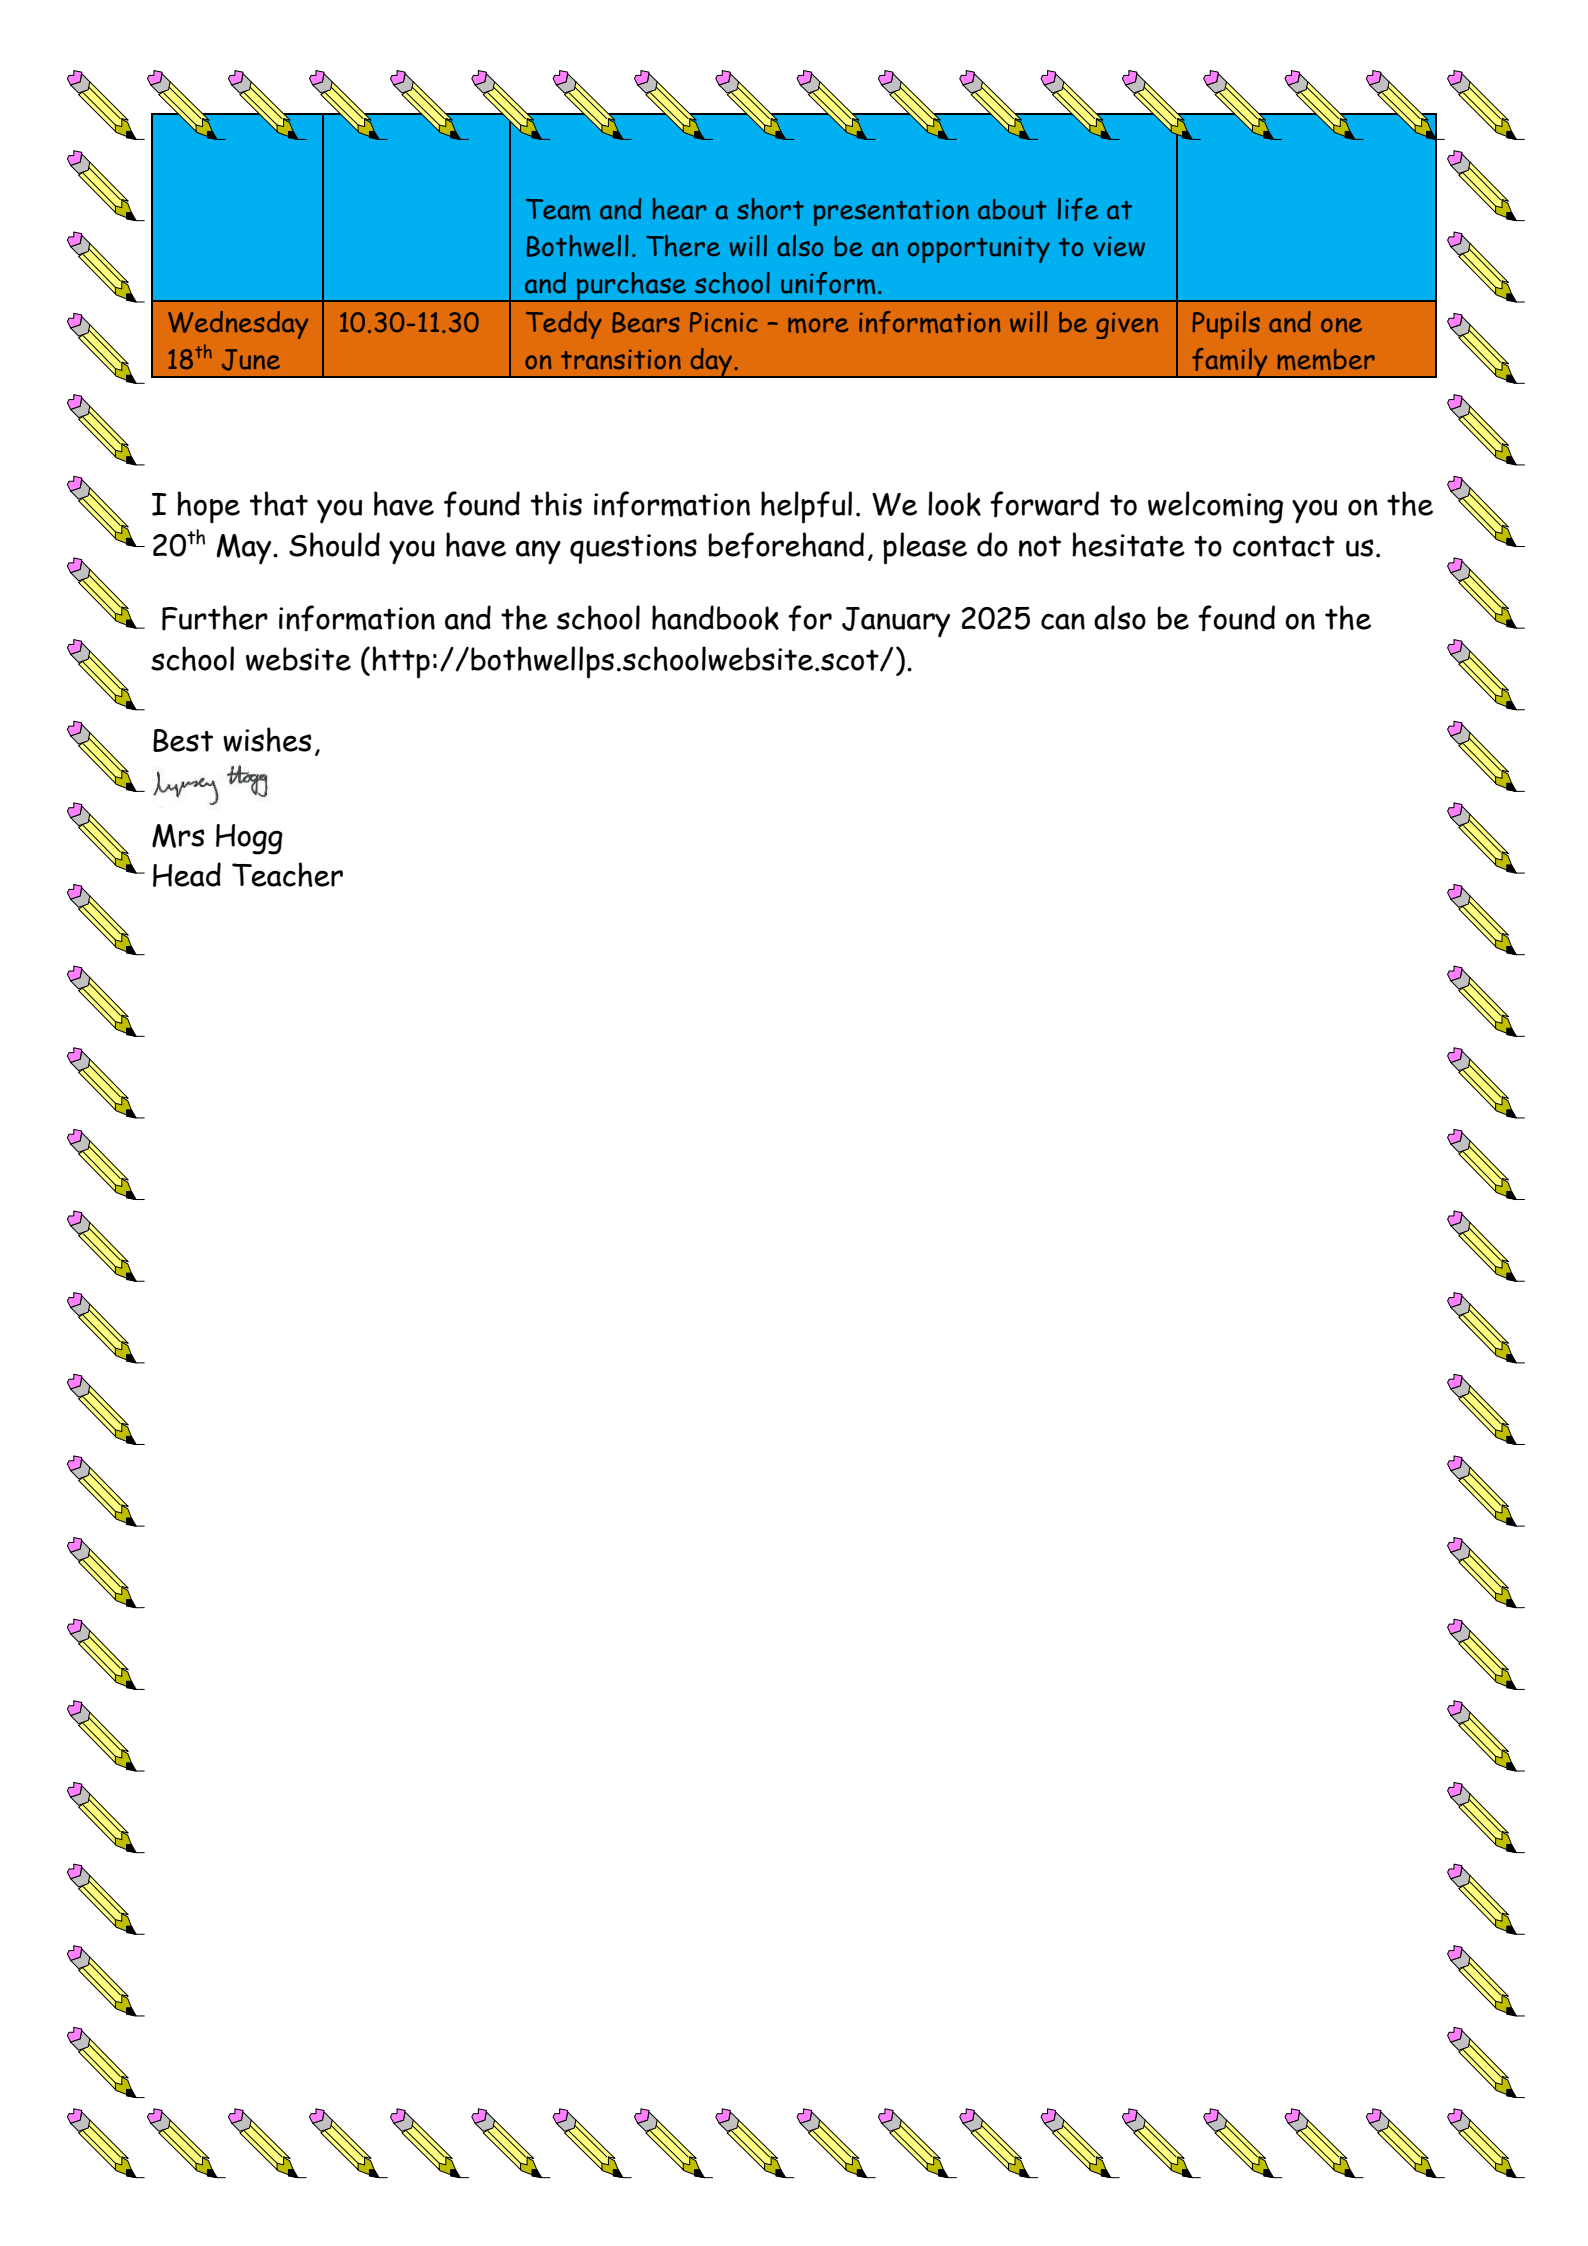

Date	Time	Activity	Who is involved?
Tuesday 20 th May	Session 1 - 3.15 - 3.45 pm Or Session 2 3.45 - 4.15 pm	Drop in open afternoon session - school will be open for parents/carers (maximum of 2 adults per child) to have a walk around the school and the school outdoor areas with their child. Choose session which best suits you, either session 1 starting at 3.15 pm or session 2 starting at 3.45 pm. Our August 2025 Primary 7 Buddies will be here to meet the new Primary 1s and show families around the school. No appointment required.	Pupils & Parent/Carers
Wednesday 4 th June	TBC	Induction Session - parents to drop off children at school gym hall. The children will then participate in activities in the classroom with school staff and Primary 7 buddies.	Pupils
Wednesday 4 th June	TBC	Transition into Primary 1 Parents/Carers information talk in gym hall (maximum 2 parents/carers per child). Here parents will get the chance to meet the school Senior Leadership	Parent(s)/Carer(s)

Bothwell Primary School, Blantyre Road, Bothwell, G71 8PJ
