

# Term 2 in Room 9

## Literacy

In Literacy, we will be reading different styles of poems including, work by contemporary poets: Charles Causley and Judith Nicholls and concrete poems. We will be learning to respond to poems, draw conclusions about the poets' style and make comparisons. We will also continue to develop our writing skills by ensuring we uplevel sentences by including a range of punctuation, vocabulary and connectives.

In Grammar, we are learning how to punctuate direct speech as well as exploring suffixes and prefixes.

## Numeracy & Maths

### **FRACTIONS, DECIMALS & PERCENTAGES.**

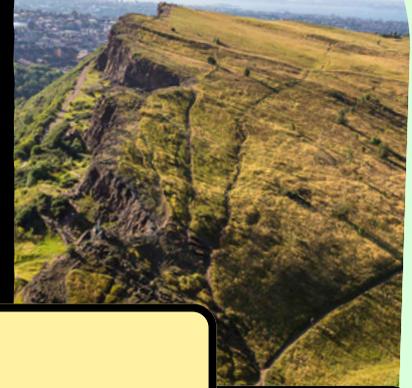

- explain their equivalent forms
- choose our preferred form when solving a problem.

### **MONEY**

- learn to use the terms profit and loss when participating in buying and selling activities.

### **ANGLES**

- Identify, compare and measure different types of angles

## Edinburgh

Our topic this term is geography based and we will be learning about the wonderful city of Edinburgh. We will be learning to locate Edinburgh on a map of Scotland, use images, video clips and maps to investigate Holyrood Park and what can be found in it and research the history of Arthur's Seat. We will also research landmarks and transport links.

## ACROSS THE CURRICULUM

In PE, we will be developing our movement and flexibility through Gymnastics. At the end of February, we will look forward to showing off our Expressive Arts skills, as we will be performing our assembly to the school and parents. We enjoy participating in dance, drama and music and can't wait to put it altogether in our show.

**We can't wait to see you at our assembly!**

**SAVE THE DATE - 1/3/24**
