Step 5: Sign into your child's Glow account using their Glow username and password

Step 6: Access your child's 'Launch Pad'

## Google Classroom

Your child will have been assigned to a Google Classroom. This Classroom has been created by your child's class teacher. Your child will be able to view posts and access tasks/activities posted on here by the class teacher.

How to access Google Classroom

Follow the above Steps 1-6

Step 7: Locate the Google Classroom icon on the 'Launch Pad' home page

Step 8: Click on the Google Classroom icon

Step 9: Click on the Class which your child has been added to

When you 'enter' the classroom it should look like this.
