

### **Literacy**

In reading, we are working through a 6 week novel study, 'The Invisible Boy'. We will also be exploring non-fiction and poetry. In writing we are developing V.C.O.P. skills and our spelling with N.L. Active Literacy.

### **Numeracy**

We are consolidating addition and continue to work on subtraction and multiplication. We are learning about time in digital and analogue form. We do problem solving activities as partnerships and in small groups. Multiplication tables can be found in homework folder.

### **Social Studies**

We have been learning about The Vikings. We have studied mapping, history, art and dramatic role play. We incorporate other curricular areas to enrich learning.

P3/4

### **Health & Wellbeing**

We have been learning about internet safety and how to act responsibly online. We are learning the game of handball in P.E. and have completed a 6 week block of hockey lessons. We are learning about healthy lifestyle choices.

### **Science**

In science we are learning about living things, food chains, animal diets and habitats.

### **Other News**

We are looking forward to sharing our learning with you this term! P4 assembly is on Friday, November the 22<sup>nd</sup> and the theme is 'Scottish Book Week'. The P3s will be participating in the Nativity on the 10<sup>th</sup> & 11<sup>th</sup> of December.
