Dress Down Days

Most of the dress down days, noted above, link to a school event or initiative. The planned themes are listed below. Parent Council Events

PC events are noted, including weekend events to give as much notice as possible to families. The bag packing in November, follows a successful session in June at Tesco Uddingston. We will need helpers to make it a success again, therefore please look out for further information. There may be additions to the PC events over the year, which will be communicated later via the app.

Whole Stage Assemblies

We are trialling whole stage assemblies this year, instead of ‘room-based’ assemblies to give children across the year group an opportunity to work together on a shared theme. This also gives the children the opportunity to mix with peers across the classrooms. We have planned for the infant stage assemblies to be later in the year as the infant department will be involved in our annual nativity in December.
