

1

## LITERACY

This term we will be reading non-fiction books to gain more knowledge and understanding of the world around us. In writing, we will be focusing on persuasive styles and also exploring poetry.

4

## SOCIAL STUDIES

Our topic this term will be 'Italy' We will be gathering information on the culture/ land use there, and making comparisons to our own country.

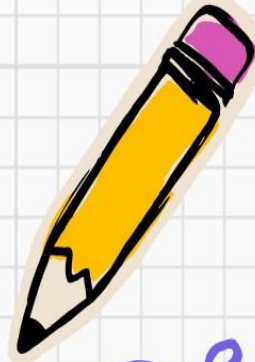

2

## NUMERACY AND MATHEMATICS

Our learning this term will include covering 12/24 hour time and analysing timetables. We'll also be exploring ways to budget money and will be solving equations using BODMAS.

# PRIMARY 6/7

5

## SCIENCE

Room 12 will be 'using the force' in our exciting Science topic this term!

3

## HEALTH AND WELLBEING

In P.E we will be learning skills involved in playing target games. We'll also be exploring links between nutrition and health.

6

## IN OTHER NEWS...

Primary 7 visited the high school for a 'Superhero' Day where they enjoyed experimenting in all areas of science.
