

## Literacy

In Literacy, Primary 2/3 have been working really hard to develop their phonologic awareness and will continue to develop this by working on their weekly phonemes and common words.

We have been learning to use reading strategies to help us understand the text and will continue to explore a variety of texts throughout the term.

Room 5 will continue to develop their punctuation and grammar skills through their writing as we create different narrative texts.

## Numeracy and Maths

Primary 2/3 have been working to develop their understanding of place value.

We are now beginning to work on our addition and subtraction skills. After this, we will begin exploring Time by learning how to read 12 and 24 hour clocks, as well as how to read simple timetables.

## Health and Wellbeing

Primary 2/3 have been exploring what it means to feel safe and have been learning about the people that can help us in unsafe situations.

We have now begun learning about nutrition and why this is important to lead a healthy lifestyle.

In PE, we really enjoyed our hockey sessions and will now develop our skills when playing target games.

# Primary 2/3 Room 5

## Social Studies

We have really enjoyed our learning around The Highland Games. We have explored the different activities that take place during the games and have enjoyed creating some beautiful artworks.

We will now develop our researching skills by finding out who started The Highland Games and why it began. We might even be doing a little bit of Highland Dancing, too!

## Nativity

We are now beginning the preparations for our Nativity performance. The Nativity will take place on the 10th (PM) and the 11th (AM) for adults. We cannot wait for you to see us perform!

## Science

In Science, we have really enjoyed learning about sound waves and vibrations. We have explored how sound is made and will soon be carrying out experiments around how sound travels.
