

## Literacy

We have an exciting term ahead in room 8 where we have started our new novel study in Literacy called 'George's Marvellous Medicine' by Roald Dahl.

## Maths/Numeracy

In Maths we will be learning about the link between multiplication and division, as well as addition and subtraction, measure and data handling.

## Science

In Science, we will be learning about Living Things with Mrs Weir.

## Art

In Art we are studying a block on the Spanish artist Pablo Picasso, where the children will be looking at Cubism, and techniques in pattern and texture to add to their Picasso portfolio.
