

# PRIMARY 2 TERM 4

## Welcome to P2

Our Class Teacher is  
Mrs Marrs

Here you will find all the information you will need.

Our Classroom  
Assistants is Mrs Bell.

### Reminders

PE days are still a Tuesday and Wednesday.

Please ensure this term your child brings an **outdoor PE kit** as weather permitting we will be outside for PE activities.

Please provide your child with a water bottle to bring to school everyday. We do not have access to a water machine in portacabin. Please check TEAMS regularly as it is a valuable source of information on homework and use the 'like' button to show you have seen the post.

Now we are in the summer term and (hopefully) summer weather please ensure on hot sunny days your child brings a sun hat to school and arrives with sun cream already applied (you may send sun cream with your child to reapply later in the day).

Our school trip is to Lake District Wildlife Park and will take place on Wednesday 2nd July.

## Class Rules

Always keep the class tidy.

Be kind and respect each other.

Always listen and use a quiet hand.

Our Star of the Week is presented on a Friday afternoon. The Star takes our class bear home for the weekend and is presented with a certificate.

Children are encouraged to consider our school values at all times and are able to earn class house points for doing so. These points go towards a final school total and the winning house for the week is announced at assembly.

# PRIMARY 2 TERM 4

## Literacy

Sounds we will focus on in term 4 are ll, ff, ss, zz, qu, ng and magic e.. Details of the tricky words and spelling words will be sent out on TEAMS first thing on a Monday morning.

This term we will focus on sentence openers, alphabetical order, using a dictionary and plurals (adding s and es). Please continue to revise ORT words and tricky words regularly.

We will continue to read 3 times weekly in class (1 book per week) and send home a book weekly to read for enjoyment.

## Maths

Over the course of term 4 we will be learning about time covering o clock and half past in both analogue and digital as well as time durations. We will also be covering the topics of area and the beginning stages of multiplication as well as 3D shape.

Please check TEAMS for details of maths homework which is sent home regularly.

Please take note of the links to ICT games regularly posted on TEAMS as these help consolidate what we are learning in class.

## Curricular Areas

**Music**— every Tuesday with Mrs Carruthers.

**P.E** - every Tuesday with Mrs Marrs. Term 4 will focus on athletics and sports practice.

**ICT**— Every Thursday with Mr Schoolar.

**Whole School Development**— This will recommence in May.

**Assembly**— weekly on a Friday. Two children are selected to receive a certificate every week.

## Topic

Our topic for term 4 is Houses and Homes. This will involve learning about modern homes and homes from the past, types of houses, building materials and animal homes. Children are encouraged to bring in objects from home relevant to our topic for discussion.

Our topic will also involve a community walk looking at the different features of the houses in our community.

. We will also cover Spring, Summer and May Day celebrations.
