Mrs Heathcote—Learning Interventions

Our TLQ and pre-TLQ sessions continue this term for those children who need a little bit of extra support with speech, language and communication development. The smaller numbers in the group help children to improve their language skills through fun activities and stories.

We will be inviting parents from each key group to join us for a PEEP session in our outside classroom every Tuesday afternoon. This is an interactive session with games, activities, songs and stories. This term we will be discussing food.

Planning

Our intentional planning for Literacy, Numeracy and Health and Wellbeing is shared via the app every 2 weeks. We also include any relevant cultural celebrations in our day to day activities.

The first one for Term 3 will be available on 7.1.25 and fortnightly thereafter.

We intentionally enhance our environment every 2 weeks with resources that will be based on children's interests and next steps of our focus children for those few weeks. This is also available to see on our planning wall within the nursery.

Wellbeing -UNCRC and SHANARRI—Term 3

Article 14—The right to form your own thoughts and beliefs.

Article 16—The right to privacy.

A fuller description and how children experience these will be shared via the app on 7.1.25

The SHANARRI indicators these link to are:

I am respected. I am safe. I am responsible. I am included.
