Planning

Our intentional planning for Literacy, Numeracy and Health and Wellbeing is shared via the app every 2 weeks and supports broader learning for all children linked to the curriculum and across the nursery at all stages. We also include any relevant cultural celebrations in our day to day activities.

The first one for Term 1 will be available on **30th August 2024** and fortnightly thereafter.

We intentionally enhance our environment every 2 weeks with resources that will be based on children's interests and next steps of our focus children for those few weeks. This is also available to see on our planning wall within the nursery.

Ms McKeown

TLQ and pre-TLQ (Talking, Listening and Questioning) assessments will begin this term to evaluate children's communication skills.

PEEP will commence on Tuesday 3rd September at 2pm starting with Green group. More information will be shared via the app.

Speech sounds assessments will take place and groups will be created to support with these. Parents will be informed if their child requires any support via Pre TLQ/TLQ or with Speech sounds.
