**Dumfries Lego and Pokemon Fairs**

Welcome to my popular Pop Up Shop  
in the centre of Dumfries. As usual you  
can expect a shop full of preloved Lego,  
Pokemon, Diecast and Hornby trains.

This time the shop will be open for 7  
weeks! To make it work for me, I  
will be open for 2 weeks in August then  
every Saturday in September.

#### View my stock before visiting

Once I have set up my shop, I regularly

update my Facebook group with photos  
of my stock. If you see anything you  
like, you can reserve it.

#### Directions

My shop is near bottom of the Vennel  
with free parking on Whitesands.

### Open every Saturday in September!

Opening times will be from 10:00 to 16:00 every Saturday. If you want to  
visit other days, just message me so I can open the shop for you.
