

# Newington Primary School Forum and Fundraising Committee

## Members of our School Fundraising and Forum Committee

The Fundraising Group is made up of parents and grandparents of pupils and former pupils of Newington Primary School. The group raises money from fundraising events throughout the school year. These include annual Hallowe'en and Summer Discos, a Christmas Fare, Easter Beetle Drives and raffles.

Our main focus for fundraising is to support curricular travel within the school to benefit all pupils in our school.

As well as raising money from events the group also help at the Scholastic Book Fare held during October which allows each class to buy new books for their class libraries. They also sell second hand uniforms too.

Members recently enjoyed an excellent evening at the annual Burns' Supper which is held at our school.

The Group meet four or five times per year and they are always keen for new members.

If you are interested then contact: Mrs Fiona Glass(Fundraising Chairperson) or Mr Craig Johnson(Forum Chairperson)
