Ms McKeown

Our parent sessions, PEEP, will begin this term. Each key group will be invited to come along and share in fun activities, songs and stories. To link with our planning, this term we will be talking about emotions and feelings.

TLQ and pre-TLQ groups will begin this term to support children with their communication skills.

We will continue to monitor how our learning environment supports children's learning and promotes their progress and development.

Planning

Our intentional planning for Literacy, Numeracy and Health and Wellbeing is shared via the app every 2 weeks and supports broader learning for all children linked to the curriculum and across the nursery at all stages.

We also include any relevant cultural celebrations in our day to day activities. The first one for Term 2 will be available on 30th October and 2 weekly thereafter.

We intentionally enhance our environment every 2 weeks with resources that will be based on children's interests and next steps of our focus children for those few weeks. This is available to see on our planning wall within the nursery.

Wellbeing -UNCRC and SHANARRI—Term 2

Article 6—The right to survive, grow and develop

Article 7- The right to a name.

A fuller description of these and how we embed these at Newington will be shared via the app on 30th October, or come in and ask to see our Floor Book for UNCRC.

The SHANARRI indicators these link to are:

I am respected. I am included. I am nurtured. I am healthy. I am achieving.
