

# Learning Zone

## Welcome to the Learning Zone

Within the Learning Zone we have two rooms where we support children with a range of additional support needs. Throughout the week, pupils within the learning zone join their mainstream classes for physical education, music and some of our pupils join the learning within their mainstream classes in the afternoon. We support children with individual milestones and those accessing Curriculum for Excellence and work with multi agencies to ensure our pupils needs are being met.

# Learning Zone

*“Every child and young person is entitled to support to enable them to gain as much as possible from the opportunities to develop their skills which Curriculum for Excellence can provide. Timely provision of support to meet individuals’ needs will enable children and young people to effectively engage with opportunities for skills development.”*

## Learning Zone Room 1 Primary 1 - 3 (typical day)

We start each day with Welcome Group – Daily Routine (Day of the Week, Weather and Lunches)

Play opportunities are then available to children all day. The children are encouraged to participate in the play opportunities in class when they are not doing a task with the teacher or their key workers. There are set play areas in the class which provide opportunities to experience the breath of the Curriculum. These zones include the Creative Zone, Writing Area, Small World, Sensory Area, Music Area, Investigation Zone, Maths Area, Reading Basket, Role play Area and ICT Area. There is also many opportunities throughout the day to go and experience outdoor learning in the playground.

### Numeracy Tasks

During this time pupils work with their teacher and key workers to learn maths skills including number work, shape, space and measure work. They will do set tasks to practice these skills and be encouraged to apply them to their play.

### Breaktime

Story Time- Time to settle back into class.

Toothbrushing- Encouraging life skills following Child Smile

### Literacy Tasks

During this time, pupils work with their teacher and key workers on set tasks which many include, phonics work, writing and mark making, reading and talking and listening. Once completing these tasks they are then encouraged to apply this skills to their play.

### Lunchtime

After lunch some pupils go to their mainstream classes where they work alongside their peers. Pupils who stay for the afternoon work on life skills, communication and fine and gross motor skills through active play.

## Learning Zone Room 1 Primary 4 - 7

### Our Daily Routine – (typical day)

We start each day with Together Time - Daily Routine (Day of the Week, Weather and Lunches)

### Literacy Tasks

During this time, pupils work alongside their key workers and teachers on set tasks which may include reading, comprehension, writing, phonics work and letter formation.

### Breaktime

Story Time - settling back down time for pupils

### Numeracy Tasks

During this time, pupils work alongside their key workers and teachers on set tasks which may include numeracy work, shape, space and measure work, active maths work and key life skills numeracy tasks.

### Daily Mile

### Lunchtime

Some pupils go to their mainstream classes in the afternoon where they work alongside their peers in class work.

Pupils who stay in the Learning Zone for the afternoon work on tasks such as art & design, baking, technologies and key life skills and they have the opportunity for free choice tasks.
