

Primary 7B - Term 4

Welcome to P7B

P7B are taught by Mr Schoolar Monday, Tuesday, Wednesday and Friday and Miss Nicoll on a Thursday. The children may receive support throughout the week from our general assistant, Mrs Glass and learning assistant Mrs Moore. The class will have music with Mrs Carter on a Thursday, PE with Mrs Mannall on a Wednesday and Mr Schoolar on a Friday. P7B will have extra ICT sessions with Mr Schoolar on a Thursday. We hope all children have a fantastic year in P7B.

Class Rules

- Have friendships with all.
- Be kind.
- Make healthy choices.
- Encourage others.
- Ask for help.
- Treat everyone and everything with respect.

Primary 7B - Term 4

Literacy

This term we shall be reading Kensuke's Kingdom by Michael Morpurgo.

Much of our writing will be linked to our WW2 topic. We will be writing newspaper reports and imaginative stories.

In talking and listening we will undertake a variety of activities to help us learn vital skills for work and life.

We shall continue to work on our comprehension skills using a range of Higher Order Thinking questions linked to passages from our topics.

Maths

SAMSON - We will focus division whilst recapping all other learnt topics from this year to ensure speed and accuracy.

Octagons— This term we will start to work on angles, algebra, patterns, ratios, negative numbers and money.

Hexagons- This term we will continue to work on all 4 processes whilst introducing time, money, angles and basic algebra.

Curricular Areas

P.E - We will be focussing on athletics to prepare for Sports' Day as well as developing ball skill games such as rugby, football, lacrosse, tennis and hockey.

Art- Many of our art activities will be based on our topics for this term.

R.M.E - We will be comparing and contrasting the religions of Islam and Christianity.

German/French - We will be revising all concepts learnt throughout primary school. There will be lots of opportunities to practise reading, writing and talking in a foreign language.

Health - This term we will be drugs and substance misuse and sexual health.

Topic

This term we will continue to learn about World War 2. We will look at preparation for war and look in depth at some of the key events during the period. The children will also get opportunities to lead their learning by choosing areas of the war to do personal research on.
