1. Playgrounds – Pupils were happy with the changes made last term and were enjoying the different toys, art groups and dance groups. It was suggested if new toys are bought in the future, cards that explain how to play with them could be included in the box.
2. Big Cause for 2026 – As part of aiming for Gold, we will hold a big event that will raise money for our chosen cause. Each member will speak to their class about what we can do to raise money and a charity for the year. We will meet next week to make a decision on what we'll do.
