

# Primary 2 - Term 4

Mrs Fergusson  
(Mon - Thurs am.)

## Welcome to Primary 2

Our teachers are

Mrs Vivers  
(Thurs pm & Fri)

Mrs Bell is our  
General Assistant

## Reminders

Our PE days are on a Wednesday and Friday. PE kit should be brought in on a Monday and kept in school until Friday. All clothing should be clearly labelled with your child's name.

All children are encouraged to drink, please provide your child with a water bottle to bring to school everyday. There is a water machine where they can refill their water bottles.

Snack - we encourage all children to eat healthy, nut free snacks. They should bring a playtime snack everyday.

## Class Rules

- Listen carefully
- Remember to put your hand up
- Always try your best
- Remember your manners
- Be kind to each other

# Primary 2 - Term 4

## Literacy

Sounds we will focus on in term 2 are u-e, er, ir, ur, ck, sh, ch, th, and wh. We will also be looking at common words (previously known as tricky words). Details of the weekly sound and spelling words will be sent home on a Monday, please practise these with your child to help consolidate their knowledge and understanding.

Writing - This term we will continue to structure sentences carefully remembering to use capital letters and full stops. We will be looking at writing instructions, writing poems and topic related writing tasks.

## Curricular Areas

In RME we will continue to learn stories from the Old and New Testament. In the Old testament we will have the stories of Cain & Abel, Jonah & the Whale and David and Goliath. The New Testament stories will be different parables.

In French we will learn the names of different foods and be able to ask for foods and pretend to order from simple menus. We will also learn how to describe the weather in French.

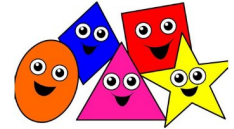

In Health, children will learn about body parts using correct terminology, understand how their bodies change as they grow, and explore how to use medicines safely, including who can help them. They will also learn about staying safe in the sun.

In ICT we will be looking at coding and enjoying experimenting with the different coding activities.

All children will receive input from Mrs Carter for music, and in P.E. we will be focusing on athletics, small ball skills and games.

## Maths

With Mrs Fergusson we will be focusing on money where we will be revising all coins to £2 and focusing on the 2, 5 and 10 times tables.

SAMSON - this term we are focusing on our mental recall of subtraction facts to 10.

With Mrs Vivers we will start the term by recapping the names of 2 shapes and learning the names and properties of some 3D shapes. We will be learning about fractions and will be able to work with and talk about halves and quarters. Please reinforce this in everyday discussion when opportunities arise. E.g cutting up food. We will round off our maths work by focusing on telling the time. The children will learn to tell o'clock and half past times on analogue and digital clocks.

## Topic

The children have decided that they would like our topic for term 4 to be 'Under the Sea'. We will be looking at the 5 oceans, ocean animals for example fish, mammals and reptiles, food chains, different layers of the ocean and pollution.
