1st July—Last Day / Church

Class Rules

Keep safe

Always work hard.

Keep the classroom tidy.

Be kind and caring.

Listen when someone is talking.

Always raise your hand before speaking.

Primary 5 - Term 4

Literacy

This term we are reading *The Butterfly Lion* and we will also be looking at some Non-Fiction books. We will read *The Spiderwick Chronicles* in the second half of the term.

In writing we will continue to write everyday and focus on improving our sentences by adding appropriate conjunctions and openers.

Everyone in Primary 5 is encouraged to read every day in order to improve their skills.

Curricular Areas

In Primary 5 we are learning two modern languages, French and German with fortnightly lessons in each. We have specialist music and PE lessons weekly. We are able to use computers every week.

In Health we are looking at life cycles and the physical changes that humans go through from before they are born until old age. We may be able to visit Lydiafield to spend time with the residents there.

In RME we will be learning about birth stories and rituals by finding out about the Buddhist festival of Wesak and the Baptism of John the Baptist. We will also find out about reincarnation.

Maths

In maths we are focusing on division and fractions so keep practicing those times tables as it will really benefit you when dividing. We will continue to work with money and practise telling the time. We will also work on coordinates, symmetry, weight and volume.

You can practise your maths skills at home by playing SUMDOG. https://www.sumdog.com/user/sign_in

Topic

Our topic this term is *Living Things*.

We will be learning all about *The Animal Kingdom*, food chains and habitats. Our class visitors will be arriving after the May bank holiday. Can you guess who?
