

# School Improvement Priorities 2025/26

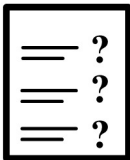

## Priority 1 - Improvements in learning, teaching and assessment with a focus on reading

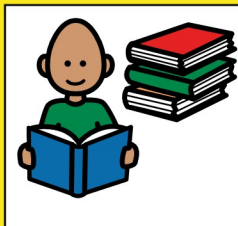

Audit of reading and library books

Creation of a library space

Core Reading Assessment resource and timeline to be reviewed

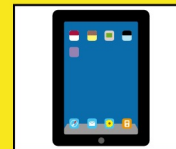

Promote reading for enjoyment

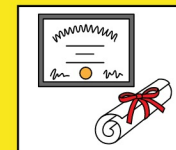

## Priority 2 - Embedding digital approaches to learning and teaching across the curriculum including the development of meta-skills

Identify and use skills in 3 areas:  
Self-management  
Social Intelligence  
Innovation

Transforming Learning within classrooms using technology.

Working towards the Fife Diploma of Achievement
