

EDINBURGH ZOO

Primary 2's Virtual Trip

I am so sad that we can't go on a class trip in person this year, but we can go on a virtual one!

On Thursday I would love if we could all take part in a virtual trip to Edinburgh Zoo. Your daily tasks this week are all focused on getting us ready for Thursday, our final day in P2 and hopefully a fantastic day together from afar!

Here is the plan for the week, and Thursday's **trip day!** 😊

All activities will be uploaded via Seesaw as normal.

Monday 29th June 2020

Literacy - Research Giant Pandas. Can you find 3 facts to help you complete the Panda fact file?

Numeracy - Look carefully at the map of Edinburgh Zoo. Can you carefully plan a route from the entrance of the zoo to the Panda enclosure? What other animals would you see along the way?

IDL - Make zoo tickets for you and your family for Thursday. How many will you need? How will you decorate them? Does it tell you the price on the front? (You could find prices on the website!) Does the ticket tell you the date they are for?

Tuesday 30th June 2020

Literacy - Research Penguins. Can you find 3 facts to create another fact file?

Numeracy - Complete the zoo maths challenge. This is quite a lengthy one, so this could be chunked up over the week!

IDL - Can you design and create an animal mask? Choose any animal you like. You will need this on Thursday 😊, maybe you could make one for everyone in your family!

Wednesday 1st July 2020

Literacy - Research tigers. Can you find 3 facts to make another fact file?

Numeracy - Plan a packed lunch for tomorrow (this can be pretend!). Can you find out how much it would cost? Use online websites to find prices of bread, ham, cheese etc and find the total.

IDL - Check the weather forecast! Can you write a weather report for tomorrow? I really, really hope it's sunny. Perhaps you could film yourself reporting on the weather.

Finally, it is TRIP DAY!

Happy Thursday Everyone. Here is the plan for the day!
