

Primary 3B Home Learning Grid w.b. 22/06/2020

In addition to your daily Literacy & Numeracy tasks we are sharing activities so that you can keep learning in other curricular areas. These will be shared with you on a Monday and you can try different learning challenges across the week. The activities in the bottom row will rotate so that you can access different areas of the curriculum across the weeks.

Topic		At Hogwarts the school has its own school song that the students sing at the start and end of the year! Do you think you can make up your own school song for Markinch?	Nearly Headless Nick has just celebrated his 'death day party'... but I wonder how he invited everyone? INVITATIONS! Do you think you can create your own invitation for Nearly Headless Nick's death day party? What type of colours will you use? What will the invitation say? Will it have any illustrations?
Expressive Arts		In some newspapers they often have funny comic strips. My favourites were 'Snoopy' and 'Calvin and Hobbes'. Take a look at some of the comic strips you find in papers now. Can you create your own comic strip for a newspaper about lockdown? Remember to include speech bubbles!	Choose your favourite story and ask someone to read it out while you provide sound effects. You could use instruments you have at home or make some of your own (like the home-made guitars!) or even find some other interesting ways to make these sounds.

<p>Health & Wellbeing</p>		<p>Can you write a letter to a family member or friend telling them what you have gotten up to during this lockdown. Have you learned any new hobbies? What have you enjoyed doing? What haven't you enjoyed so much?</p>	<p>Let's keep our fitness up! Can you take part in a Joe Wicks workout each morning this week?</p> <p>Let me know how you get on, I'll be joining in as well!</p>
<p>STEM/ICT/RME</p>		<p>Grow your own Rainbow</p> <p>follow this link to make your own rainbow</p> <p>https://www.thebestideasforkids.com/grow-a-rainbow-experiment/</p>	<p>During lockdown, the rainbow has become a symbol of thanks and positivity to all of the NHS, carers and frontline staff.</p> <p>Within Christianity there is the story of the first rainbow within Jonah and the Whale.
