The Owl and the Pussy-Cat

by Edward Lear

The Owl and the Pussy-cat went to sea
In a beautiful pea-green boat,
They took some honey, and plenty of money,
Wrapped up in a five-pound note.
The Owl looked up to the stars above,
And sang to a small guitar,
“O lovely Pussy! O Pussy, my love,
What a beautiful Pussy you are,
You are,
You are!
What a beautiful Pussy you are!”

Pussy said to the Owl, “You elegant fowl!
How charmingly sweet you sing!
O let us be married! Too long we have tarried:
But what shall we do for a ring?”
They sailed away, for a year and a day,
To the land where the Bong-Tree grows
And there in a wood a Piggy-wig stood
With a ring at the end of his nose,
His nose,
His nose,
With a ring at the end of his nose.

“Dear Pig, are you willing to sell for one shilling
Your ring?” Said the Piggy, “I will.”
So they took it away, and were married next day
By the Turkey who lives on the hill.
They dined on mince, and slices of quince,
Which they ate with a runcible spoon;
And hand in hand, on the edge of the sand,
They danced by the light of the moon,
The moon,
The moon,
They danced by the light of the moon.

Pet Care of a Rabbit

Rabbits come in all sorts of sizes and colours. They also have very different characters. They can live for between 9 to 12 years, sometimes longer.

Diet

Rabbits eat hay and sometimes grass. They need pellets which are high in vitamins and minerals. They graze in the morning and evening, and always need clean, fresh water.

Giving rabbits hay helps them digest their food.

Muesli is dangerous and can cause serious problems for their teeth.

Environment

Rabbits need a large space to live in. They need room to hop, jump, dig and stand on their back legs.

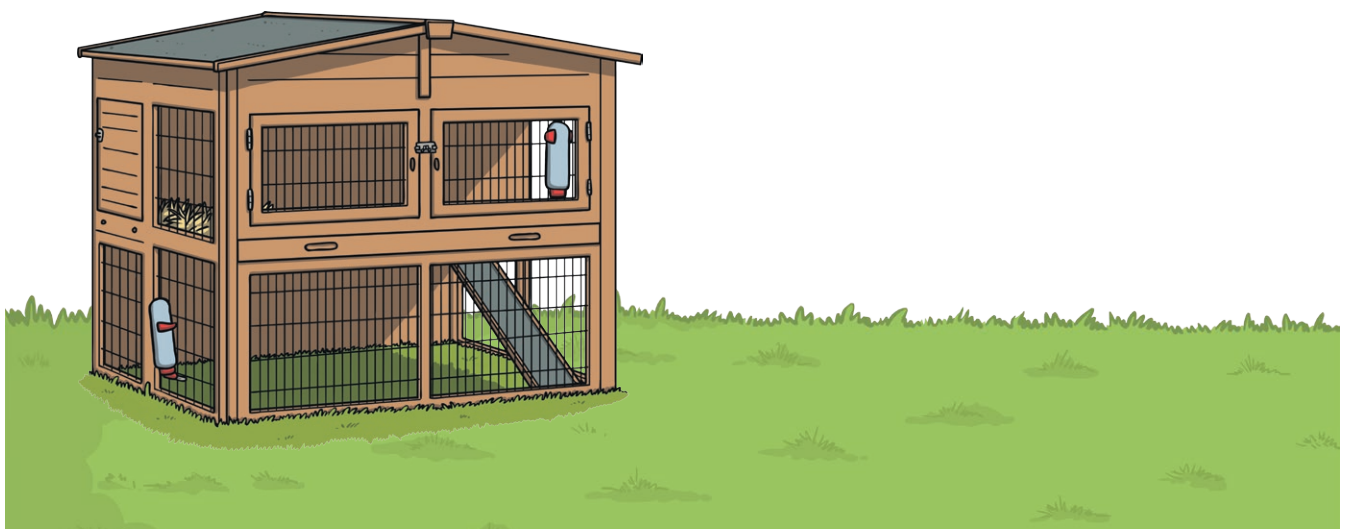

They must be safe from animals like foxes and birds of prey.

They need places to hide, and a dry, clean shelter, which will keep out the bad weather or the hot sun.

Did You Know?

Rabbits will be afraid of cats and dogs, but if they are introduced carefully, they can become friends!

Housing a rabbit

- Rabbits need dust-free hay or straw as bedding.
- All rabbits need to be able to go to a toilet area, which is not near the place they sleep in.
- Rabbits like being with other rabbits, so getting two is a great idea!

Rabbit behaviour

Rabbits are clever and need things to keep them busy. They need:

- toys to chew;
- a sand box for digging in;
- places to hide;
- chance to play with other rabbits and people.

You must always pick a rabbit up very carefully.

Did You Know?

Rabbits should not be given carrots very often! They are high in sugar, and rabbits can get overweight. Carrots should only be given as a treat!

Did You Know?

Some lettuce is harmful for a rabbit. Some types can make them ill.

A Worried Rabbit

This rabbit is in a crouched position, its head is flat to the ground and its muscles are tense. Its ears are wide apart and flat against its back.

An Angry Rabbit

This rabbit is standing with its body down and its head upwards. Its mouth is open and it is showing its teeth. Its ears are right back and lowered.

Remember: You must always treat your rabbit with kindness and gentleness.
