

Primary 1b Homework Grid (Term 1)

Literacy		Can you spot different sounds in your environment?	Can you write your name?	Play a listening game to improve listening skills. E.g. Simon Says, Pass the Whisper, Old Macdonald or a Listening Walk.
Numeracy		Can you count forwards and backwards to 10? Start at different places, not always at zero. Try counting up to a bigger number to increase difficulty.	How many different numbers can you spot in your environment? Can you read the number Where did you find it? Can you take a photograph of it?	Practise writing the digits 0-9 with as many different mediums as you can. Be as creative as you want!!
STEAM (science, art, technology)		Can you find different examples of how information is displayed and shared? E.g. bus timetable	Make a junk model of someone or somewhere that is special to you.	Can you make a family tree?
ICT		Practise turning the computer on and off.	Access YouTube with an adult and practise singing the jolly phonics songs to practise your sounds. Follow the YouTube link at the bottom of the page.	Practise using the mouse to left click, right click and scroll.
Health & Wellbeing		Can you set the table for a meal with your family?	Talk about how to be a good friend.	Show someone how to stay fit and healthy. Can you explain what happens to your body?
