4 February 2021

Dear Parent/Carer,

REMOTE LEARNING: WEEK 4

I hope you and your families are safe and well and have managed to cope with the demands of remote learning for another week. I write with some updates and reminders.

First Minister's announcement

For the majority of young people, the current arrangements will remain in place until at least the end of February. For senior phase pupils there will be a partial return to school from 22 February. From this date we can invite a very small number of S4/5/6 pupils into school to complete work for National Qualifications that cannot be completed at home. Pupils will be here for learning and teaching – they will not be completing assessments. We are in the process of formulating plans for this, and I will contact you as soon as I can with further details.

Half term holiday

A reminder we are now closed for the half-term holiday. Tomorrow (Friday 5 February), Monday 8 February and Tuesday 9 February are all holidays. No remote learning or teaching will take place on these days, and pupils should take time away from their iPads. The school will not be open for supervision for those who have been attending. We will return to remote learning on Wednesday 10 February.

Family learning

Family learning resources can be found in the Family Learning section of our website (under Resources), or [here](#).

Recent letters

As always, for your convenience all letters issued in the recent past can be found on our school website, in the *Resources* section under the heading *Parental Letters* (or [here](#)).

Communication with school

A reminder to contact the appropriate DHT or PTPC should you wish to discuss any aspect of your child's care, welfare or education. Contact details can be found at the foot of this letter.

I hope that everyone enjoys a pleasant and relaxing long weekend.

Yours faithfully

A handwritten signature in black ink, appearing to be 'JG'.
