

Study Skills

There are many study techniques which are used in many classes across a range of subjects.

These include: flash cards, summary notes, mind maps, past papers, active recall, blurting, Quizlet, mnemonics.

Our school You Tube page has some visual demonstrations of how to apply these when studying. Scan the QR code below for quick access.

Achieve is an online study resource to which pupils have access. Pupils have their own log-in and can personalise their account with their subjects and levels to ensure easy access to resources to support their learning.

This resource breaks down each subject into topics and has knowledge and understanding areas for each topic with links to past paper questions, marking instructions and further websites.

Pupils can also create electronic study plans in the SUCCEED section.

The resource can be found at www.achieve.hashtag-learning.co.uk

Study Power points

Staff have produced slides which summarise important study advice for all Senior Phase pupils. This collates everything in the one document and will prove very useful to pupils as they prepare for exams.

It can be accessed at the following link:
https://manage.appscentral.co.uk/uploads/client/documents/4306/1c7f_Senior%20Phase%20Study%20Guide.pdf

ambition

[am-bih-shon] *noun*

an overwhelming drive and determination to achieve goals, targets and success. dream bigger.

Easter School

Dates:

Monday 7th April – Thursday 17th April

Times:

Morning session: 9.30am – 12noon

Afternoon session: 12.30pm – 3pm

A timetable of subjects on offer will be issued to pupils in mid March. This will also be displayed on the school app, Twitter page and school website for information.

e-Sgoil

e-Sgoil is a national e-learning service established in 2016 in the Western Isles of Scotland. They offer on-line resources for Senior Phase courses as well as webinars that learners can attend in the evenings. Signing up is free to all and can be accessed via the QR code below.

MONDAY
