

Rm 17 P6 Class Newsletter

Term 3 2019-2020

Here is what the pupils thought about last term....

- "I loved the pantomime- it was great fun!"
- "I liked the cricket with Renfrew Cricket Club- it was a great experience."
- "Thermo Fisher taught us some science- the experiments were awesome!"
- "Our first reward was lots of fun! We worked hard for it!"

- ♦ "The Christmas concert was good. I think the audience enjoyed our performance!"
- ♦ "We have loved using our Maths Journals this term to note important information, record our Esti-Mysteries and put down some of our working!"

I am extremely proud of the children's performance in the school Christmas concert and hope that you all had a relaxing holiday. We have had a busy start to term 3 with our Burns focus but the children are rising to the occasion and we can't wait to entertain you on Friday 24th January! The children are motivated and continue to use the recognition board in class and are eager to nominate people who they feel deserve some recognition, for things they have done. We are all looking forward to the Burns Ceilidh and Assembly and hope to see as many of you there as possible.

Mrs Stafford

OUR TERM 3 FOCUS

This term, the children have been preparing for our Robert Burns assembly and ceilidh which are taking place on the 24th of January. The children have been working tirelessly to learn their lines, auditioning for parts and working on their Scottish dancing. Not only have we been preparing for these events, but also focusing on Scotland and people who have had an impact on the country over the years including William Wallace, Mary Queen of Scots, John Logie Baird and Andy Murray along with many more. Following the madness of Burns, the children will be moving on to learning more about Scotland and some of the influencing factors in our History.
