Literacy	Maths	Health & wellbeing	Other areas
<p>Reading Read the 1 Star information sheet all about Ramadan on Seesaw. Complete the 1 Star comprehension questions with as much supporting detail as possible.</p>	<p>Compare and Order Fractions Watch the demonstration and slideshow about how to compare and order fractions and complete activity 1 to practise doing these on your own! Follow the link to the Chocolate Based Challenge from NRICH Maths to understand and compare fractions in a fun and tasty way! https://www.bbc.co.uk/bitesize/articles/zkk6hbk</p>	<p>Online Olympics Compete in the next round of Renfrewshire Leisure Online Olympics and upload your high score.</p>	<p>STEM Design an invention that you would like to be able to use in your home during lock down to make your life a little easier! You could draw your ideas or even create a model of your invention. Use BBC Bitesize 'Extreme Designs' lesson for some tips and ideas! https://www.bbc.co.uk/bitesize/articles/zhypscw</p>
<p>Writing Learn how a powerful speech is written by watching the videos and reading the tips on the following BBC Bitesize lesson: https://www.bbc.co.uk/bitesize/articles/znn2xyc</p> <p>Use the key features and examples to create your own speech on Activity 2 (Friends Matter) or on a subject of your own choice. You could video/ perform your speech. Try to include at least 4 examples of 'A FOREST' features.</p>	<p>Timetable Create a timetable of your plans for the holiday weekend. This does not have to be set in stone plans – just a general outline of what you think you might get up to. Use an appropriate format, consistent use of time and try calculate correct time durations between each activity to ensure your timetable is correct E.g if your movie will last around 1 hour, make sure the plans on either side are at least this amount of time apart.</p>	<p>Mindfulness Practice some mindfulness at home by using a colouring sheet/ book, practising some mindfulness breathing techniques or having a Chill and Still.</p>	<p>Art -Toilet Roll Art Challenge Use your imagination, a toilet/ kitchen roll holder and any art materials and resources you have at home to create a masterpiece! Find an image or stimulus or see the examples on Seesaw from this website to help you design a 3D image or model. https://theartyteacher.com/loo-roll-art-challenge/</p>
<p>Movie Mats Watch one of the movies, or use your memory if you have seen one, and complete the questions from one of the Movie Mats on Seesaw.</p>	<p>My Name in Numbers Select and complete the 1 Star 'My Name in Numbers' worksheet on Seesaw. Use the letters in your name to correctly solve and answer the related mathematical problems.</p>	<p>Let's Get Active Use the following link to 'BBC Let's Get Active' to select a skill you have developed in PE to practise at home and improve. https://www.bbc.co.uk/teach/class-clips-video/physical-education-ks1-ks2-lets-get-active/z72yjhv</p>	<p>Film Recommendations Review and recommend a film that you love for your friends to watch over the holiday weekend. Use the template on Seesaw to help you describe the plot, characters and opinions on the film and why you're recommending it.</p>
<p>Spelling Choose another 8 tricky words from the commonly misspelled/ tricky words list on Seesaw. Copy out 3 times and choose an active spelling task to practise each word.</p>	<p>Maze Create a maze in your home to direct someone through, blindfolded (safely!) You must only use correct directional language to guide them including directions, degree turns and compass points. e.g "Move forward 4 steps" "Turn 45 degrees clockwise" "You are facing North. Turn to face East"</p>	<p>National Walking Month May is Living Streets' National Walking Month. Walk for 20 minutes every day as part of your daily exercise. Try out some new routes and keep your daily exercise fresh, interesting and safe. Take part and keep up to date with everyone else participating by using the #Try 20 hashtag.</p>	<p>Time Capsule Create a 2020/ Lockdown time capsule. You are living through history right now, so collect some important information and objects that you can reflect on in the future. You could collect photos, art work, newspaper pages/ clippings, special memories and journal entries. There is an example on Seesaw to help.</p>
